THIS · MONTH · IN · CLUB

Hi there and welcome to Telefuck '91, the first sex-athon brought to you exclusively by Club International. Come on, Britain, we want to try and beat last year's Telefuck total of 100 wet pussies, 200 tits and arses and a grand total of 5,000 beautiful girls in one issue. But we can't do it without your help. Phone your pledge in now, and our naughty nymphos are ready and waiting to do anything your part desires for charity.

And our first call comes from Michael of Exeter. He says he'll send us the keys to his 79 Capri if he can see his favourite girl Ginny dressed to thrill in camouflage gear. Well, Michael turn to page 24, and your wet dreams will come true.

What about some shots of Girl of the Year, Racquel, asks an anonymous reader in Leeds? He'll send us the front door key to his semi, so long as he sees Racquel in all her glory. Well, prepare to lose your home, because she's on page 44.

Finally, a quick round-up of other pledges. A furniture store owner has offered his wife and children for sale, so long as he sees Carla once again, (see page 7), and a fella in Manchester says he doesn't care what the fuck we do so long as it's as sexy as the last issue of Club. You'd better believe it! We're already well on the way to making our target.

So, if you want to make Club the sexiest mag in Britain, just walk into your bank, quote your credit card number, and say, "I want to see some gorgeous women." Okay, so it'll make the cashier raise her eyebrows, but what the hell...♣

Alex's special thanks go out to Brian, Willy and Ian from Workington for their very special present. His And Hers

I don't know how many of your readers like to read through Club with their wives but my wife, Lindy, only lets me buy Club if I buy her a copy as well!

We get one each and label them his and hers, for obvious reasons. We like nothing better than to go through the magazines together, picking out our favourite models from each issue and reading the horny real life confessions to one another.

This all started about three years ago when I was given a copy of Club by one of the guys that I work with. I wasn't really sure what Lindy would think about me reading it so I kept it hidden in my briefcase. Then one morning I left for work and forgot my briefcase and Lindy, being the curious sort, decided to have a look and find what was inside it.

Well, you can imagine my surprise when I went back to get my briefcase and found my normally restrained wife lying down on the living-room floor, two fingers burrowing into her gorgeous minge and a look of wanton abandonment on her face!

There was no point being embarrassed! Lindy beckoned me towards her and holding onto my hips, she unzipped my fly and released my throbbing dick. Clutching my dick with one hand, while the other flicked through the pages of Club, she started to gently suck the end of my knob. Slowly at first, then faster and faster, she greedily gulped at my cock, sucking as if her life depended on it. As you can imagine, it didn't take long before my come-heavy balls tightened, my dick throbbed and I let loose a loud moan as I sprayed hot, creamy spunk all over Lindy's tongue.

Now Club has become an integral part of our lovemaking and it's turned my wife into a liberated, cock-hungry, three-times-a-day fuck machine! Thanks a lot, Club!
— Martin, Wetherby

Office Frolics

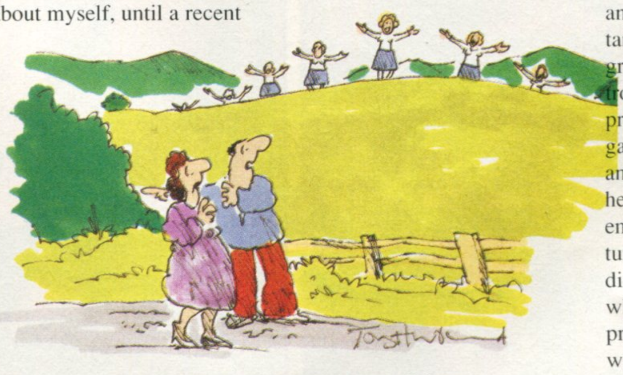
I've been reading Club for five years now, but I never dreamed I'd be telling you about myself, until a recent experience prompted me to write into your magazine.

Emma is a gorgeous brunette who works in another department at my office. She's about five feet ten tall, with huge tits and a lovely, well-rounded bum. Needless to say all the guys at work can't keep their eyes off her, but nobody has even succeeded in getting a date.

One night last week, we were both working late. She'd just come back from holiday and had loads of work to catch up on. I was alone in my office going over some papers, when in walked Emma. She looked particularly good with her new suntan, and she was wearing a really sexy outfit. Her tight black skirt hugged her bum and her white blouse was so sheer it really didn't leave much to the imagination.

Emma sat down on the edge of my desk for a chat and as her skirt rode up her tanned legs I started to get a growing bulge in my trousers. It must have been pretty obvious, as Emma's gaze kept dropping to my lap and a little smile appeared on her lips. I felt a bit embarrassed at being so turned on by her but she didn't seem to mind; in fact what she did next made it pretty clear to me that she was anything but insulted!

Without saying a word,



Oh no, Julie Andrews... Lots of them

Dear Lana,

When I saw your pictures in Vol 20 No 1 my cock instantly sprang to attention. The expression on your face just oozed pure sex, and I'm sure that this letter will only be one of hundreds that will arrive at the Club HQ.

If sometimes when I'm tossing off I imagine that you are kneeling in front of me holding my throbbing dick, just waiting for me to shoot my load. You're looking up at me with that dirty look on your face, and you slowly run your tongue up and down my shaft, gripping my cock firmly and caressing my swollen balls.

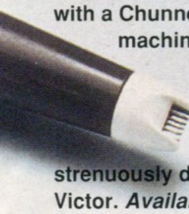
I can feel myself coming now, Lana, and your eyes light up as I shake and quiver and my load explodes into your mouth.

I hope you like sucking cocks, Lana, because I'd love to think you're getting as turned on by all this as I am!
— Patrick, Kendal

Do I like sucking cocks, Patrick? You'd better believe it! My last boyfriend loved it if I sucked his cock for hours on end, and believe me nothing made me happier than to oblige him! The feeling of having six inches of pulsating, throbbing cock in your mouth is pure heaven! — ***Lana*** ♣

to rid your girl's nose of those embarrassing nostril hairs that mean your mates think you're going out with a bloke — or your money back!

Rumours that Remington are trying to cross the *Hygienic Nasal Clipper* with a Chunnel boring machine for a certain Mr Manilow have been strenuously denied by Victor. *Available from Boots, Argos* and *House of Fraser*. ♣



Emma walked around the desk and sank to her knees in front of me. She unzipped my flies slowly, and my cock stood out to attention. Emma circled the tip of my dick with her tongue as one hand began to rub the thick root of my cock firmly.

I lay back in ecstasy as Emma's mouth gave me a good work-out. Her hand was tightening around my cock as she got more and more carried away, her tongue massaging my dick as she sucked furiously. Before long, I felt that old familiar feeling! I exploded into her mouth, sending jet after jet of hot spunk shooting down her throat. She gulped it down eagerly, finishing by licking up every last drop.

Now it was my turn to explore Emma's body. I unbuttoned her blouse, to reveal her tits nestled in a white lacy bra. She reached behind her back and unhooked it letting her huge boobs swing free. I immediately popped one big, pink nipple into my mouth and sucked, revelling in the sensation as it began to stiffen up.

Emma lay back on the floor so I could unzip her skirt and I pulled it off, leaving her dressed in just a skimpy pair of white lace panties. I stroked them all over, starting with her lovely bum and working my way round and between her legs, where the crotch of the knickers was already soaking wet with pussy juice. Emma pushed my head down towards her cunt and I didn't need to be

Carla is the sexiest receptionist in North Wales, and here's the proof in black and white. "I have to be so formal behind my desk all day, I'm desperate to show the real me at night," says the 20-year-old from Holyhead.

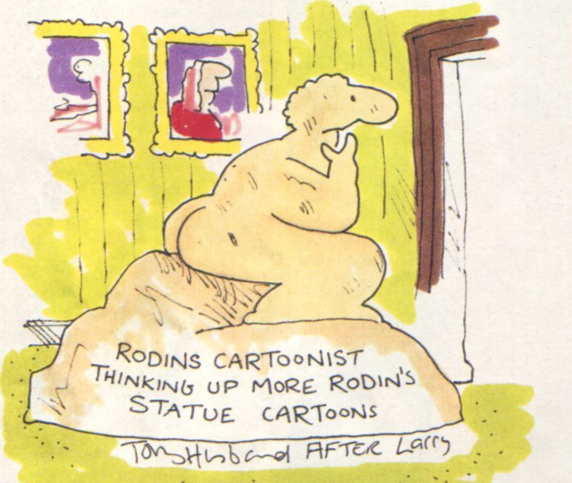
asked twice! Parting her pussy lips, I flicked my tongue across her wetness with quick, light strokes. Each touch brought a soft moan from her.



Emma suddenly stood up and bent over my desk, sweeping all the junk onto the floor. Her bum wiggled at me invitingly. I slowly eased my cock into her hole and she tensed her muscles, gripping me tightly.

I started with long, slow strokes but the feeling was so good I just couldn't control myself and I was soon pumping in and out of her like crazy. My climax wasn't too far away but I wanted to fulfil my long held fantasy, so I slid out of her and got her to lie on the desk. Then I wanked my cock hard and within a couple of strokes I was shooting my load all over those big tits of hers. As a final touch I rubbed my spunk into her soft skin and then she licked off as much as she could reach.

I've never particularly liked work, but I can honestly say I'm looking forward to my next night of working late at the office — and I hope there will be many more to come!
— George, Surrey

Teacher's Pet

I've just finished reading through the latest copy of Club (Vol 20 No 2), and I couldn't believe it when I came to the set of Ginny dressed as a schoolteacher.

An old girlfriend of mine used to be a schoolteacher and she had the whole ensemble too — the mortar board and the flowing black cloak. I was always asking her to dress up and she was only too willing when she saw the effect it had on me! My cock would be as stiff as a ruler in seconds and we'd be fucking each other into a frenzy within minutes!

Sadly, I'm not seeing her now, but the sight of Ginny dressed in the schoolteacher's outfit certainly did the job for me! Thanks Ginny, you're top of the class! *— Peter, Oxford*

Happy Screw Year

During the New Year period my mind frequently travelled back to a turning point in my life. My name is Mark and I'm a young PE teacher, recently married to my longstanding girlfriend, Sandra.

We get on pretty well, apart from sexually. Sandra has a very low sex drive and I am permanently randy!

Since I was a teenager I have always fancied more older women and have always got on well with Caroline, a good friend of Sandra's, who works beside her in the same typing pool.

GOBBLE!

Cretinous connoisseur ***Nathaniel Fatbastard's*** *nose has gone on strike. We told him to picket but he decided to test a cold cure instead and found it's not all it's blown up to be...*

As those who've seen me on the job will know, when it comes to the tools of the trade, I have a pair of real plums. These giant attributes are remarked upon wherever I hang out, and their sensitivity is remarkable. I know for a fact that a wine-taster on BBC 2's *Food and Booze* programme would like to get her hands on them, and she's not the only woman to be left open-mouthed, gasping in admiration, as they go to work. I refer, of course, to my delicate palate and nose, honed to detect the subtlest difference in herb or grape. Recently, though, they've been completely fucked.

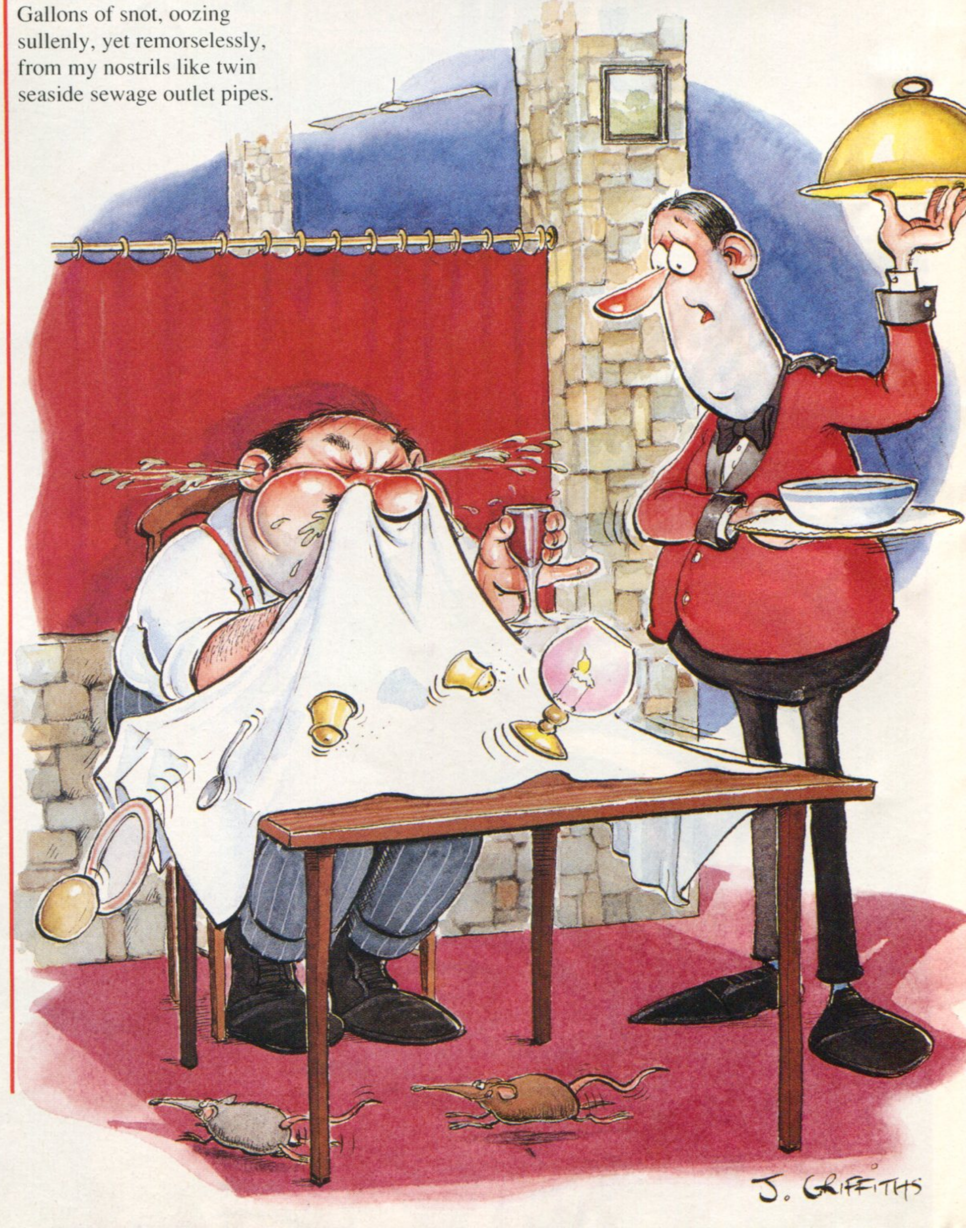
The reason is simple. Snot. Gallons of snot, oozing sullenly, yet remorselessly, from my nostrils like twin seaside sewage outlet pipes. Where does it all come from? I must have dumped half a gallon of green goo in my monogrammed Irish linen snot rag (Harrods, £12.50 a half dozen), and still it pours out. Suddenly, an idea struck! So I rang up the Editor of *Incredibly Green* magazine who's become a Friend of the Earth (after all animate objects turned him down on the grounds that he's a tedious twat).

"The world's future lies in snot," I told him. "Here is a fuel that will never run out, because unlike oil, as those supposedly consoling gits have told me repeatedly, there's a lot of it about. Giant bogey-burning generators could be set up, hydro-electric power stations served by a constant flow from the nation's dripping noses. 100 per cent natural — it's the ultimate green product. Asked to choose the most environmentally-friendly energy source to have on their doorstep, eight out of ten consumers picked their nose. And now you could plug into what you poke into. Remember, every time you raise your hanky to your hooter, you could be holding the world's future in your hands. Don't blow it!"

He told me to piss off.

So instead, I took my sore and soggy orifices to the chemist to see what medical science had invented to help a man whose hanky pocket feels like the inside of a neglected fish tank, and brought a batch home.

I started with *Flem-Sip* (£1.80 for six sachets), a pale yellow powder that with warm water tastes like freshly pissed *Seven-Up*. What's more the 'soluble' powder had me coughing like a cancer-riddled consumptive



so next I had to cure that. The *Mr Ticklee-Wicklee Junior Strawberry- Flavour Cough Syrup* (99p) proved crap except as a topping for ice cream, so instead I took a big swig of *Working Class Bastard's Hacking Cough Linctus* (£1.49 a big bottle, keep out of reach of anyone under 50). Too late, I realised that the dosage was half a teaspoonful in a chipped enamel pint mug of tea, but it stopped me coughing. It also made me speechless, deaf, blind and impotent for several days afterwards.

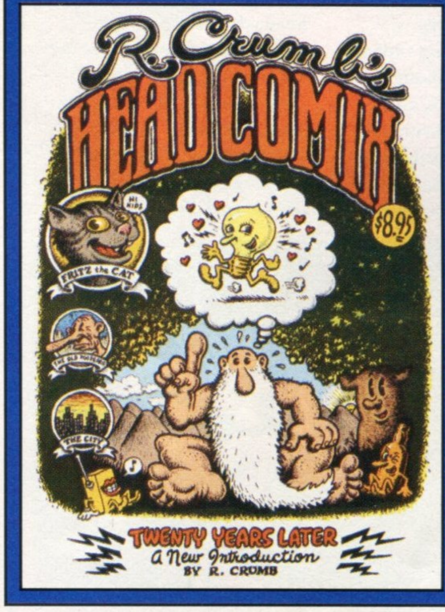
Working Class Bastard's prides itself on being first brewed for bronchial pneumonia sufferers working in the horse boiling vats of Victorian tanneries, but surely cures have improved since the 19th century? Indeed they have. For a start there's *Dick's Sinus Nasal Spray* (£3.50 for 1.25cc). Fuck knows what goes into this stuff, but one squirt up your passages and your snot disappears for up to eight seconds. A spokesman for *Reachams Pharmaceuticals* tells me that they are now working on an anal spray which will do the same for diarrhoea — now that's what I call progress!

Next I tried a handful of 'pleasant tasting' hi-tech cough sweets to ease my sore throat. *Lemon and Ether flavour Mykelcane Throat Pastilles* (£4.50 for a box that looks like it holds 50 but actually holds three) are designed to numb your neck. Being in agony, I sucked all three at once, leaving my mouth as dead as an old whore's pussy, and my tongue hanging like the threadbare red carpet unrolled for some piss-poor potentate. One spit and I could have stunned an ox. Unfortunately the effect didn't last long, and ten minutes later the barbed wire fence was once again tangled round my tonsils.

Also relatively new is the night-time cure-all *Wet Nurse* (£5.99 a thimbleful). This bright green brew claims to cure runny noses, coughs, shivers, headaches, to lower your temperature and help you sleep all in one measure. Everything a real nurse would do, in fact, except give you a stiffy by flashing her stocking tops. Unfortunately it tastes like something jettisoned from the Jolly Green Giant's arsehole, so I decided to team the lot with a measure of *Bigardon's* white rum, two fingers of *Vladiawful* vodka, a litre of shit brandy some bastard brought back from Spain and half a dozen bottles of *Babyshite* left over from Christmas. After a vigorous shake, and then served chilled with crushed ice and a glace cherry, it would make the ideal party drink for a massive piss-up with fellow flu sufferers.

And, what's more, it worked. I went to bed after finishing a small decanter of the cocktail I have now officially named 'A Long Uncomfortable Sweat Between The Sheets' and woke up to find my influenza completely gone. Oddly enough, so had winter. What the fuck happened to the last four weeks?♣

ACCCCCCEEEEEED!



Hey maaaaaan, what's all this 'bout the cool new Bob Crumb book? Sounds like a reeeeeal gas. Yes, from the decade that gave us free love comes a comic for £6.99. *Headcomix — Twenty Years Later* is a dead funny compilation of totally mad tales from the pickled mind of comic acid-casualty Robert Crumb. The book's 96 pages pack in all his most manic fantasies from *Fritz the Cat Comes on Strong* to *Mr Natural Gets the Bum's Rush.* Sixties guru Allen Ginsberg says it's a "Supremely funny underground comic strip incarnation of the posthistoric flower age." *(There's a hell of a smell of bullshit in this office — Ed).* But with all the pills he popped in the ten years when people knew who the fuck he was, we'd be surprised if he could read the sign on a toilet door, never mind a comic. Although Crumb's obsession with big boobed, bra bustin' girls isn't featured enough for our liking, it's still well worth nicking from your local library, d'you dig?♣

TOP TITS

G'day, garbonza buffs. This month Top Tits continues its tour of the world's gorgeous globes with a look at the twin hemispheres Down Under. The Wizard Whammers of Oz are real magic, golden brown and glistening with oil, and you can spot many a pair of fair dinkum dumbells on the sand or surf. You don't have to be Jaws IV to fancy a nibble.

I asked Club's Oz correspondent Sydney Darwin why the sexpots of the sub-continent are so keen to get their Wogga-Woggas out.

"Cor strewth, cobber, it's bloody obvious," he said, sucking on a tube of Fosters. "The mammaries are so massive down here, XXXX is a bra size! Take Sheila over there — they don't call her Knockerdile Fun Ds for nothing. They say her bra was made by the same guys who did the Sydney Harbour Bridge. Burrppp! I need a drink."

"Before I go, I would like to talk to some of the real traditional Aussies," I told him. "Do you know where I can get my hands on an ocker or two?"

"Well, if you ask Sheila nicely, she might let you. But she doesn't normally put out for Poms..."

I think the heat must have got to him. — *George Breast*♣

NUTTER'S CORNER

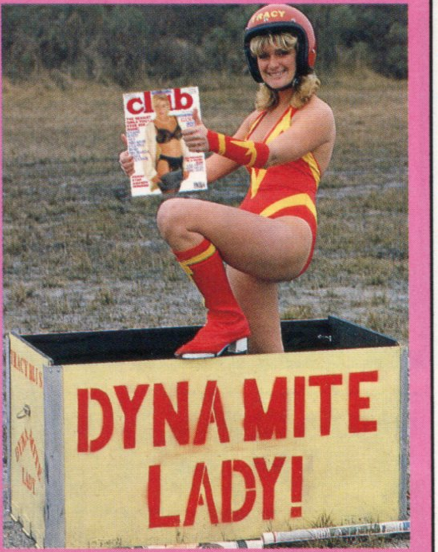
Exploding the myth that women don't enjoy a good blow job, here's Dynamite Lady. Dyna's idea of a good time is locking herself in a small wooden box with an explosive issue of Club timed to go off one minute after she climbs in.

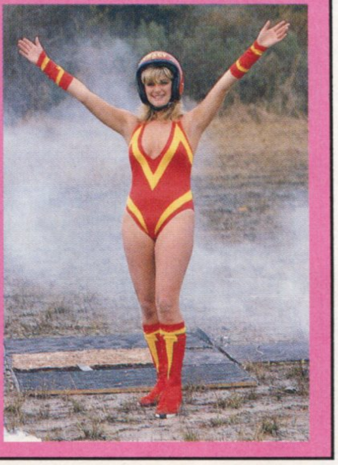
Will she get out in time?

Well, she found the magazine so rivetting that she completely forgot about the one minute deadline, and D.L. was halfway through a particularly good letter by a lady in Hackney when the 60 seconds were up. Bang on cue, the box blew apart leaving our hapless lady sitting there, bruised, battered and with a slight headache. She emerged almost unscathed — and her opinion of Club?

"It blew my mind... and my, arms, legs, feet. And it made me slightly deaf."

Now we thought *that* was an old wives' tale. ♣





TAPED!

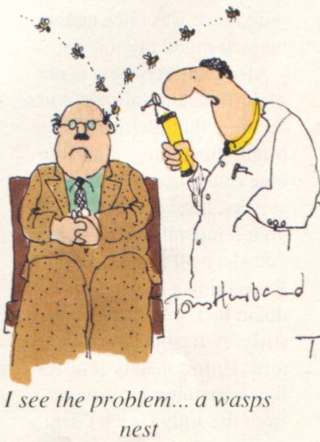
Remember where you heard it last! ***Allan Bryce****, the man who told you Elvis is dead... last Tuesday, reckons The Iron Lady has just resigned. Let's hope his seminal selection of saucy vids are a bit more up-to date...*

I suppose it had to happen eventually, but it was a shock when it came. Yes, after 11 years of ruling over us with an iron handbag, the lady who wasn't for turning has finally packed her bags and gone, and we're all a little sadder for her passing. I'm talking, of course, about Big Bertha the tea lady, whose toxic brews and creosote crumpets were legend within the bowels of Raymond Towers. Word has it that she left over a disagreement about the pricing of her baps — she wanted to introduce a roll tax...

But enough about politics. What we need to take our minds off the recession is to get stuck into a new batch of red hot tit movies. And what better place to start than with **W-Pink TV Part II**, a movie which stars Jamie Gillis and the seriously gorgeous Amber Lynn as a pair of unscrupulous rogues who are plotting to bring about the downfall of the notorious exotic TV station of the title.

In between all the slapstick-and-tickle antics we get to witness some of W-Pink's audience-grabbing erotic line-up, which includes the popular gameshows *Tail of the Century* and *Family Foreskins*. Also good for the ratings is the highly titillating sight of Bunny Bleu getting shafted by three fellas while attempting to read out the weather forecast. Didn't her mum ever tell her not to talk with her mouth full?

Now it may be that you are searching for a movie that combines the raw power of Sam Peckinpah with the dry wit of Woody Allen. As it happens you would be out of luck with **Sugarbaby Sunnybaby**, which is merely another daft soft tit flick filmed in Switzerland. Here's the scenario: two guys are both in love with the same girl, an attractive Swiss called Eva who is not adverse to a roll now and again. Eva gets a letter from Hong Kong



I see the problem... a wasps nest

CAPTAIN CASH-IN

This month Club's Mr Charity joins the craze for journalistic generosity by helping deserving folk as only he can...

From Elsie of Sussex,
Dear Captain Cash-In,
We the residents of Tinyhampton-by-Sea are writing to you pleading for some money to replace our inshore lifeboat. We are a small village with a population of seven but we've already raised £15,000 and have only got £20 to go.
Captain Cash-In Says: *Bugger that! Why should I fork out for some stupid rowboat just so wealthy fuckers with yachts can go out in all weathers and get themselves drowned? Besides what's in it for me? If you're such a piss-poor place, there won't even be much publicity. Doubt if it'll even make the local news...*

From Dave of Carlisle,
Dear Captain Cash-In,
I've just bought this shit-hot VHS video, and rented loads of tapes. If I had another recorder, I could do a few copies for my mates...
Captain Cash-In Says: *No problem. My £500 cheque should get the latest four-head job. Can you run me off a copy of* Lethal Weapon II?

From Ian of Harrow,
Dear Captain Cash-In,
I am the world's only sufferer from Donna Kebab's Syndrome which has left me deaf, blind and incontinent. There's an operation I can have costing £2,000. I'm desperate. Is there anything you can do?
Captain Cash-In Says: *Yeah, keep out of your fucking way, these strides cost money.*

From Mildred of Harpenden,
Dear Captain Cash-in,
I am 95 years old and live alone in a large house. The other day two young boys broke in and stole my gold wedding ring. It wasn't worth a lot of money but it did have great sentimental value. I'm so upset. Nothing could ever replace it.
Captain Cash-In Says: *In that case, here's nothing. Will that do? Ha-ha!* ♣

saying she has inherited her uncle's escort and taxi service. But when the three of them get there they discover the business isn't all it's cracked up to be. The only way out is for Eva to go on the game and sell her voluptuous body. The moral of the piece is clear: if you want to stay ahead of the game, work a week in hand and put your hard earned dosh into a Swiss wank account.

If you're after something a little less intellectually taxing, then why not try **Model Agent**, an erotic expose of the life and times of a modern-day 'entrepreneur' trying to make his way in Major's Britain. The title character is a fella named Dave Ward, who seems to be cut from the same cloth as Arfur Daley but doesn't have quite the same line in sophisticated intellectual patter. Nevertheless, Dirty Dave hasn't exactly drawn the short straw in life's lottery: his day-to-day job consists of managing two gorgeous bits of horn and trumpet. One's a blonde named Lynn and the other's a brunette named Cherry Bee, who is blessed with a bigger pair of thrusters than Apollo 6!

The plot, such as it is, tells of how Dave and his girls go trolling round the countryside giving strip shows in pubs and clubs and doing kissagrams. Then they all come home knackered and climb into bed together, where the old adage that 'three into one won't go' is blown right out of the window. The film is shot with that shaky 'fly-on-the-trouser' realism, which gives you the impression that the

When people see Natalie lost in her dreams, they tend to wonder what she's thinking about. But we know! The answer's sex! "I fantasise about men most of the time," says the 19-year-old. rocky horror!

Greg Riffi is one of the finest French surfers there is, and that's a fact. But then again there's probably only two other French surfers and they're both dead.

Now there's something a little different about the way Monsieur Riffi does his surfing. Can you guess what it is boys and girls? That's right, he doesn't like the cold, oh, and he surfs on stones instead of snow or water. In particular he surfs down the Case Deserte (altitude 525,900 zillion feet), on top of the Izoard Pass, France where it's desertic, windy and very hard under bottom. But things like that don't stop our fearless Frog from tearing down the fucker with just a surfboard between him and large chunks of razor-sharp rock at speeds of up to (gasp!) 96 kph (about seven miles per hour). And, would you believe it, straight after his first descent, the great man was heard to utter: "I'm going back! This is fantastic!"

But Greg isn't the only fool in France because he and his masochistic mates have formed a club for people with their condition: *The Sliding Coconuts*. Members are fit, French, fearless and fucking stupid, in no particular order.

Sadly, in the process of doing this death defying deed, Mon. Riffi "lacerated his derriere". In other words he ripped his arse to shreds and has to sit on a cushion for the rest of his life. Worth it then, was it, Mon. Riffi? ♣

Photographs by Scott Evans

Hi guys! As you can see, I'm fulfilling a very special fantasy this month for some of my favourite readers — the brave lads and lasses in our armed forces. I get a lot of *very naughty letters from them, and I can tell you, they make superb reading at bedtime — and at dinnertime, lunchtime and breakfast, too! One particularly randy letter from Jason of Ipswich asked me how I liked being the new 'forces' sweetheart'... well Jason, I like it just fine, and if I could only get on some manoeuvres with you I'd show you my idea of entertaining the troops!*

It gave me a real thrill putting on all this gear, imagining I was in action alongside all the randy boys and girls in the forces. The kind of thrill that starts with a lovely tingling in my nipples, and spreads electric fingers of excitement all the way down to my hot little pussy. I pull up my tight t-shirt to reveal my full, firm boobs, my nipples standing out hard, and the cold metal of the dogtag nestling between my tits soon heats up against my warm, bare flesh as I gently caress myself. Before long I just can't resist pulling aside my skimpy G-string, which is getting damper by the second as I think about all you hunky guys in your sexy uniforms — and all you girls in your figure hugging skirts. How I wish a few of you were here with me now!

Well, I hope you'll think my camouflage gear makes me a force to be reckoned with. Keep your equipment polished and ready for inspection till next month, guys... I'm looking forward to it already! ♣

letters to Ginny

Dear Ginny,

You're the most gorgeous girl I've ever set eyes on! I'd love to see you as an air hostess, standing at the top of the steps welcoming passengers onto the plane with a great view up your skirt. Your perky little nipples are straining against the thin fabric of your regulation blouse, and during the flight I can see right down your lovely cleavage as you bend over me to serve me some coffee.

I watch your beautiful bum wiggle up the aisle in your tight skirt, as you head for the cabin to serve the crew. When you finally return, you are completely dishevelled — hair down, blouse untucked, and a very satisfied smile on your beautiful face! You sink down into an empty seat next to me, in a world of your own as you stroke your thighs, boobs, and finally your delicate little pussy. Ginny, I'd just love to fly with you!

— Jim, Nottingham

Well, Jim, you sound like a bit of a high-flyer to me! I've

always imagined that being an air hostess is a very glamorous career, and when it comes to glamour I reckon I'm the hostess with the mostest! The thing that turns me on is the idea of wearing that cute little outfit. I'd just love to wear a really tight skirt that hugs my bum, and I'd have on a really low-cut top — so all the passengers can get a good eyeful! I know lots of guys can't resist girls in uniform — actually, I find them pretty appealing, too! Perhaps it's about time I went for membership of the Mile High Club... what do you reckon, guys?

Dear Ginny,
If there's one thing a guy likes better than a girl with a shaved pussy, it must be a cheerleader with a shaved pussy. I've been shaving myself for a few months now, and I've definitely noticed a new gleam in my boyfriend's eye!

I recently rented a cheerleader's costume for a fancy dress party, and the moment my boyfriend saw me in it, he jumped on me! He couldn't keep his hands off me, he was pawing at my bum, tits and thighs! I think it was the revealing short skirt and cute little socks that turned him on so much — and I must admit I felt pretty sexy too.

Now he'd really love to see you in the same outfit, Ginny, and I don't blame him. He really has a thing for you, and frankly, I'm beginning to get more than a little turned on by you myself. Just one last thing, Ginny, I'd love to know how you keep your pussy so smooth and hairless — you're perfect from head to toe! *— Beverly, Newport*

It's really nice to know I've got girls as well as boys amongst my fans, Beverly, and I must admit your letter has put some naughty ideas into my head. There's a costume hire shop near where I live... I wonder if they can help? Of course, the best thing about a cheerleader's outfit is the way the frothy little skirt billows up each time you jump, showing off a sudden flash of thigh — and even more, if you just happen not to be wearing panties! As for shaving your pussy, I'll share my special secret with you... it's always best to get someone else to do it for you!

Dear Ginny,
Your pictures just get better and better every time. Last month's schoolteacher set was out of this world, and I think if you were to fulfil this fantasy for me I'd be walking round with a permanent smile on my face!

In my dream, I'm working in a shoe shop, when you come in wearing a tight-fitting blouse with no bra underneath, and a short skirt. You wait till there are no other customers in the shop, and then you ask me to help you try on some shoes. As I slip your foot into a pair of high heels, you raise your leg, so I get a clear view up your skirt.

Being a gentleman, I try not to look; but, as you can imagine, I'm losing the battle! As my gaze lingers on your lovely legs, you pull your skirt up very slowly, and when you are sure you have my full attention, you slip your fingers inside your tiny lace panties and pull the crotch aside to show me your sweet little cunt. I'm sure my eyes must be standing out on stacks, and I can feel the blood rushing to my crotch.

By now the bulge in my trousers is pretty obvious, so you ask me to take you into the store-room and show you some more of the stock. I don't need to be asked twice, and I lead you straight through there. Once we are inside, you stand on a ladder and invite me to pull down your panties. What happens next, Ginny? I'll leave the answer to your imagination!
— Larry, London

Ooh Larry, I think you can guess exactly what I was imagining as I read your raunchy letter... and you can probably guess what I was doing to myself, as well! Your fantasy got me so hot my fingers found their way between my soft thighs within minutes, and before long I was completely oblivious to the outside world as I carried your story to a climax inside my head. Shoe shops will never be the same again! ♣

Finally we come to **High Stakes**, a stylish and sexy little thriller that mixes yuppies and prossies in the sleazy underbelly of New York City. Sally Kirkland is a high-priced hooker who nurses stockbroker Robert Lupone back to health after a brutal mugging. Roberts: a total paragon

Graeme Souness is as gentle as a lamb... No, somehow it just doesn't ring true does it? Yet towards the end of last year the Glasgow Rangers manager was ranting on about the 'hammer-throwers' who have, he claims, brought a new level of violence and foul-play to the Scottish Premier Division. Is this Graeme Souness, champion of fairness and decency, the same man who, when Rangers' player-manager, launched a tackle on a Rumanian opponent that was as high as the late Jimi Hendrix (and as late as the high Jimi Hendrix, now I come to think of it)? Who was sent off in his first game for the club, and dismissed twice more that same season? Indeed it is. Perhaps though, since he hung up his studs, Souness has mellowed. After all it was he who was responsible for bringing to Ibrox Park such paragons of the English game as Graham Roberts and Terry Hurlock...

Aside from the faint hint of hypocrisy, Souness probably has a point. A friend of mine recently attended a Scottish Football Association coaching course. After a general talk about tactics, the raddled old pro who was in charge got onto something a little more important. What was it: shooting, passing, covering your testicles when standing in a defensive wall? No. It

wild THINGS!

If you're into cars, girls and Elvis impersonations, we think that *Wild At Heart* is the movie for you. The story's pretty good too, and we don't think we'd be giving the game away too much by revealing the unexpected twist at the end when our cool dude hero, Sailor (played by an actor), goes a little too far and calls into question the sexuality of an entire street gang. The fight that follows leaves Sailor sinking in a pool of his own blood. But you'll just love this bit, it comes as a real shock if you're not expecting it: just when you think Sailor's dead he gets up and runs back to his woman.

Oh dear, we seem to have told you a little too much about the film. In fact we've told you everything so there isn't much point in you seeing the film at all. So you probably won't be interested in the fact that we've got ten copies of this amazing suspense video to give away to anyone who still wants one.

If you think there's a chance of you losing your short term memory in the next few weeks, or you can afford to sit idly in front of the TV for hours on end, write to Club International and ask for a copy of *Wild At Heart*. You won't regret it, especially when you see that surprise ending!♣

Continuing the arse antics of Britain's bawdiest bottom-relate grope opera.

Jeff Coldpee stood ir the doorway of the *Queen Dick* pub in Ballford's Allbutt Squar watching Butt Killjoy, tl landlady, rubbing crear into the bare bottom of Dirty Denise.

"I thought you were killed in that plane crash!" exclaimed Butt.

"Only from the waist down," said Jeff. "Whai the hell are you doing with my wife? And why aren't you working in tl *Groper's Return* in Neverfeeled?"

"After winning the *On Million Pound Best Buttocks* in Wancashire competition, Alec and I moved down south to play around with *The Dick*. It was very small when we first came but now it can take every man in Ballford of a night."

"I only wish I could sa the same," muttered Je "The plane crash has made me a Very Impotent Person."

"Is there no cure?" asked Denise anxiously

"The doctors say not. A bum deal, eh?"

At that point Denise sidled over and kissed him. Something stirred in his trousers.

"I don't believe it!" cried Denise and Jeff. "It's a miracle! "

"That gives me an idea," cried Butt. "We'll turn *The Dick* into a health resort for the terminally tiny."

"Over my dead body!" The voice came from the doorway.

"Fanny Porker! The snobbish ex-landlady!" cried Butt. "What are you doing here?"

"I'm gonna get my hands on *The Dick* " she said. "And I'm not letting some fat old Butt get in my way."

was 'How to temporarily disable an opponent by elbowing him in the windpipe when challenging for a high ball'. "Turn quickly," the coach advised, "and catch him across the throat with your forearm." An exciting document about Subbuteo Table Football has found its way onto the Club sports desk. You remember Subbuteo? You used to lay out the pitch on the living-room floor; your opponent clumsily kneeled on Kevin Keegan; the dog burst in and swallowed Emlyn Hughes and Tommy Smith got sucked up in the vacuum cleaner and blocked the filter. Well, soon such thrill-a-minute action may be getting a wider audience because Subbuteo is making a bid to become an Olympic sport. But surely there are other 'sports' more worthy of inclusion in the Olympiad? A quick poll of Club staff unearthed the following contenders: Canny Scotsman, Richard Guy, suggested Shortcake-Worrying (very big in Aberfeldy, evidently). Earthy Northerner, Robert Swift, thought Free-Style Cheese Sculpting might be worth a try. The Ed, a Londoner with sophisticated metropolitan tastes, advocated Two Large-Breasted Women Wrestling Naked In A Jacuzzi Full Of Warm Chocolate Fondue. Personally I consider that Subbuteo has the edge on all these suggestions. Particularly when played by two large-breasted naked women in a jacuzzi full of warm chocolate fondue.

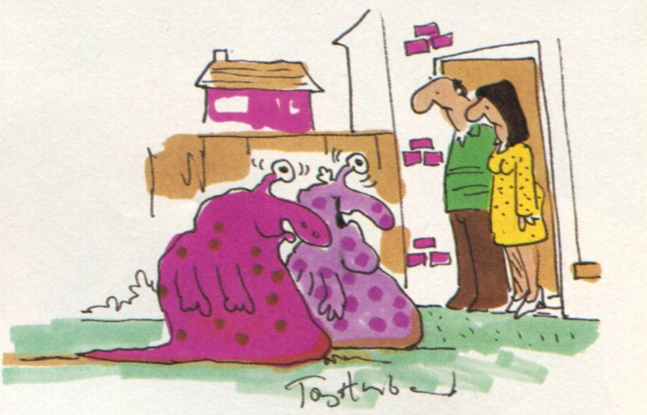
A couple of issues ago I mentioned the black mammoth which adorns the shirts of French soccer team RC Strasbourg. This provoked a veritable trickle of a response on the subject of sponsors' logos. Nigel of Cleethorpes, an avid Mariners fan, tells me that Rochdale Town have a watering can on their jerseys.

Meanwhile, Vince of Portsmouth informs me that Brighton run out every week with the word NOBO emblazoned across their chests. "Very fitting" says Vince, "for a club that produced Gary Stevens and Steve Foster." Cruel, Vince, terribly cruel. But true.

One of the joys of being a sports writer is the exciting selection of new sports books which plop onto my desk every morning. Last week I received one of the finest books ever written about the game of soccer, *Iceland — The Complete International Record*. Here it is, reproduced in its entirity: the agony (1:1 v Eire. Reykjavik, 1962) and the ecstasy (1:0 v Ireland. Reykjavik, 1977). If you care passionately about football, buy this book. If you don't care passionately about football, then, as they say in Reykjavik, "Go fuck a herring."♣



Hi! Frank and Doreen , Butlin's '84, remember?

GREEEERCH!

*Only real men enter the Paris-Dakar Rally. The French rose to the challenge with an ugly car not even a mother could love — and still manged to win! Motor mouth, **Horst Pipe** reports...*

Phew! For a moment there, looking at the beautiful Citroen XM, we thought they'd stopped building hideous cars. But as the recent and treacherous Paris-Dakar Rally has shown, when the going gets tough, the tough get ugly. Apparently a close cross between a very ugly car and an even uglier one, Citroen's contender is so horrible even its own mother wouldn't love it. In fact, it's so ugly, they've called it Camel.

But looks aren't everything. For despite the bactrian appearance of the ZX, Citroen managed to persuade ace driver Ari Vatanen to risk his street cred and get behind the wheel for this year's rally. And even though he managed to fall off a 50 foot sand dune in the process, he actually won!

All rally drivers, of course, are mad, but only a Frenchman would think up something like the Paris-Dakar, a kind of Russian Roulette with sand. Miles of it. If they call an easy 24 hours round the track at Le Mans 'endurance racing', God only knows what they'd call this. Competing in it is the motorsport equivalent of joining the French Foreign Legion; desperados only need apply, and no-one gets out alive — well, only a handful. It's not just crossing the world's mightiest desert that makes it so dangerous, but also the early stages where competitors are required to pilot their way through the Paris rush-hour with nothing more than a car to protect them. Competitors come from all over on motorbikes, in all-wheel drive lorries and in cars; the organisers do it in a helicopter — and one year even one of these crashed.

Citroen came prepared with four cars — all so ugly that they hoped to scare off the opposition by sight alone. In size the ZX falls midway between the AX and the BX. This makes it sound like any high street hatchback, an impression that is reinforced by the 2CV yellow paintjob and its four cylinder engine.

Look a little closer though and there are several clues to the Rallye Raid ZX's competition heritage. For one thing, it's much too ugly for a production car — even the French wouldn't try and pass this one off on us, would they? Another dead giveaway is the engine — it's on the back seat, presumably to enable easy tweaking en route. Also it doesn't run unleaded, makes a hell of a din and is quite a lot more powerful than a three-and-a-half litre 32-valve quadcam Ferrari V8.

In keeping with much of the competition the ZX features permanent fourwheel drive, double coil-over-shox all round, and a strengthened competition gearbox with six speeds — fast, faster, faster still, sacre bleu, mais non, and aaaaaeeeeerrrrgh!♣

You guys last saw 19-year-old Miranda way back in April last year, when the delectable Scarborough lass graced the cover and the centre pages of Club. We asked our favourite Northern girl what she's been doing for the past year.

"I've been over in Europe on an extended holiday," Miranda told us with a wicked

gleam in her eyes. "I've been tanning my boobs on the Costa del Sol, working up a sweat in a sauna in Oslo and flirting with Italians in Rome! But I missed the adoration, the men and the filthy letters so much that I just had to get back to Britain to pose some more! What do you reckon fellas — was it worth the wait?"

Silly question, Miranda! ♣

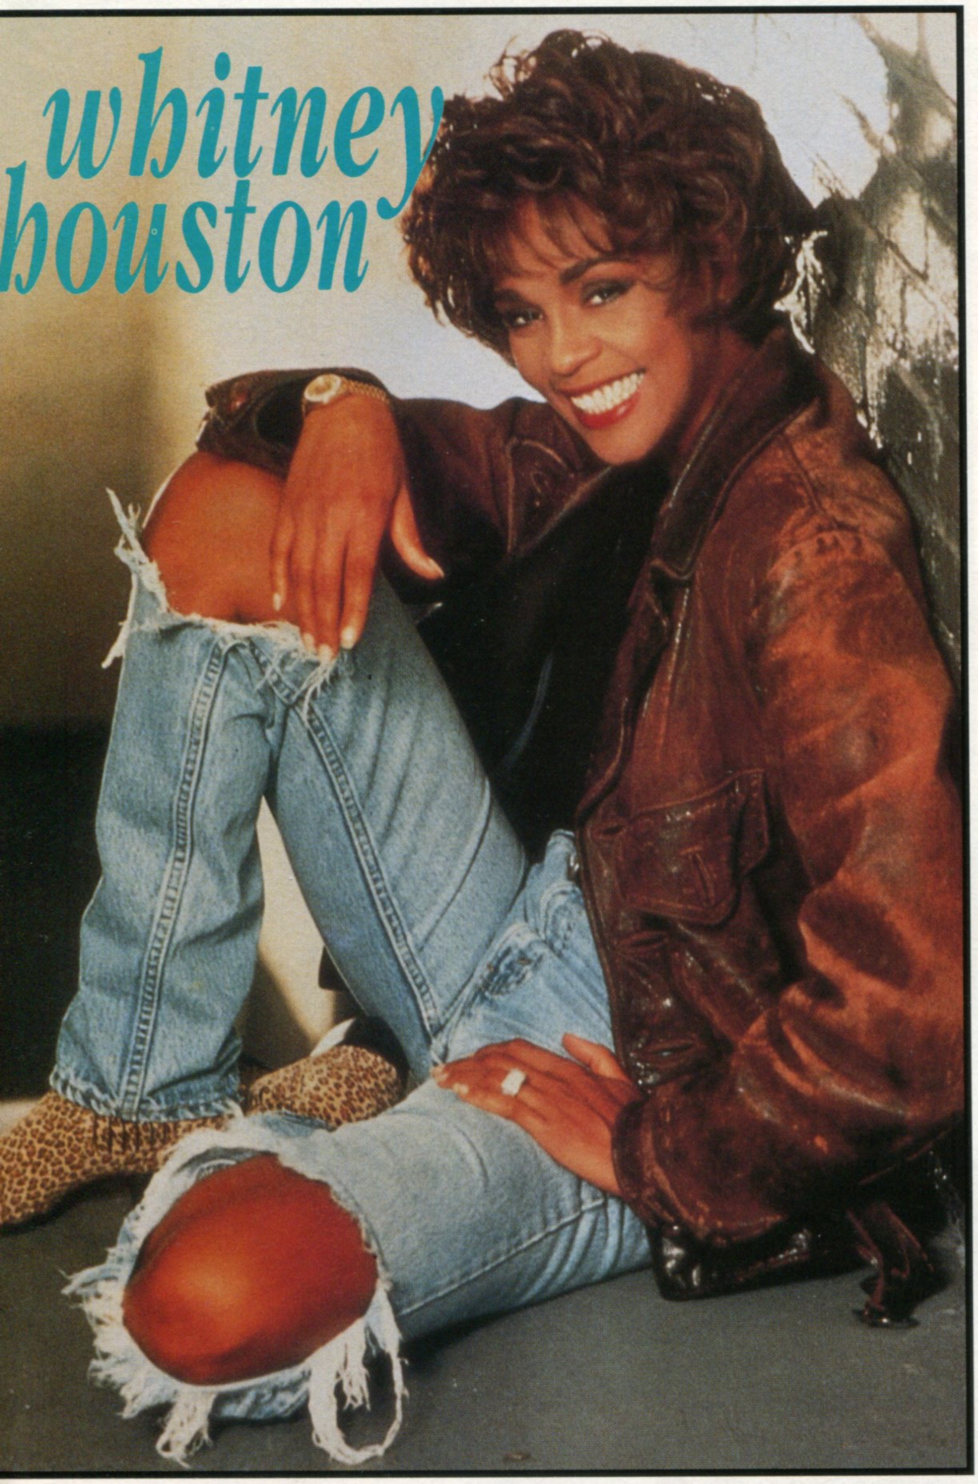
I reckon I may settle down in Britain for a while. Trouble is, I don't have anywhere to stay... any of you fellas got a spare bed?" Let's have an orderly queue gentlemen! ♣

whitney houston



If the charts are anything to go by, Whitney Houston's success is second only to Madonna. But when it comes to being touchy she's the tops, so pop pundit **Dave Potter** *went undercover to discover how Whitney gets her male fans going...*

Pop statisticians love resorting to figures to establish which artist is the most successful. With Whitney Houston, the experts are in their element: in the United States the singer has already established an all-time record as the only artist to achieve an unprecedented eight consecutive number one hits, thus surpassing The Beatles and The Bee Gees who only managed a paltry six. Her first album, *Whitney Houston*, remains the best-selling debut album of all time by a solo performer while *Whitney*, her second collection of songs, became the first album by a female artist to debut at the No 1 spot on the US charts. All told, these two albums sold over 30 million copies worldwide. *I'm Your Baby Tonight*, Miss Houston's current release, looks set to equal this success. Janet Jackson has thrown in the towel and Whitney now has Madonna in her sights.

A quick glance at the star's family tree partly explains her track record. Her mum, Cissy Houston, was a member of Sweet Inspirations, a quartet who used to sing back-up for the likes of Elvis Presley, Wilson Pickett and even Aretha Franklin. The singer's cousin is none other than Dionne Warwick, who's still going strong.

But, even if some family members had found fame and fortune, the star's childhood was far from idyllic. "I grew up in the ghetto. It was pretty tough," she says. "At first, we lived in Newark where the riots took place in the Sixties. Bullets were flying and I remember lying down and eating off the floor. After the riots, my mum and dad worked really hard to try and get us out of there and they did. We moved to what was basically a middle-class section of the town, with a mixture of black and white households.

"As time went on, the white people started to move out and black people started to move in. This created a different situation and it became a little rough. We had gangs coming in from across town, coming up to our part because a guy messed with someone's sister. She's got ten brothers and they come across town, that kind of violence. Not as heavy as now, not the drug-related violence. That's real scary," she sighs.

Her parents' divorce was the next hurdle Whitney had to overcome. "That was difficult. Your father wants you to call him, your mother wants you to call her. If you pay too much attention to the other, it gets a little strained. I knew both of my parents loved me and they showed it to me. That was never my worry, that my parents would break up and I'd have to divide my love between the two of them."

On top of all this Whitney had to contend with some of the less than illustrious tabloids in America and Britain making strange allegations about her private life. According to them, the singer is a lesbian who refuses to come out of the closet, even saying she's having a fling with assistant and friend Robyn Crawford. Whitney is quick to snap back: "This is ridiculous! Ask my mother. I am a very private person, I don't trust people easily. I don't have too many friends and Robyn is my best friend, I've known her since we were kids. It's really easy to just make things up about me when you have no idea who I'm sleeping with!"

What's even worse is that when the singer speaks of her admiration for Eddie Murphy ("I'd sure like to get to know him better") or is pictured in public with her current escort, male model Rodney Owens, the media still say Houston is just covering up her lesbian leanings. The star is obviously in a no-win situation. "It's all lies. The one thing I hate about this business is that so many things are said about you that are not true. People take things out of context and create their own story. Things you say aren't repeated the same way. I also hate it when people don't return my calls! It really bugs me, it's one of my pet hates."

Hard to believe that some people will forget to call the singer, especially when you consider the number of stars she's worked with.

"I sang back-up with Chaka Khan and Lou Rawls. I did a duet called *Hold Me* with Teddy Pendergrass and then I sang *Take Good Care Of My Heart* with Jermaine Jackson. When the record companies came to my door, I was ready."

Whitney eventually signed with Clive Davis of Arista Records of whom she says, "He's the only head of a company who really knows about music and gets involved with the artists. But I was no overnight sensation. My success came after many hours of hard work. I also owe it to the talented people I worked with."

The roll call is impressive enough: Kashif, Jellybean Benitez, Narada Michael Walden and Michael Masser have all put the finishing touches to Houston's bouncy mix of pop and dance music.

However, the icing on the cake for Whitney was the chance to work with her hero

Whitney on Eddie Murphy: "I'd sure like to get to know him better."

Stevie Wonder on Whitney's track *We Didn't Know*. "I had always wanted to work with Stevie in a studio situation. I can't believe it finally happened. Every second was pure joy. If I didn't have the track to play back, I'd have thought I had dreamed it!"

Which brings us to something a lot of men dream about — the singer's perfect shape and figure. How does she manage to look so good? "I have a sauna and a jacuzzi in my apartment and a little work-out area in my bedroom. So I ride my bicycle. I like that, that's fun for me 'cause I don't get to do it very often, maybe about twice a week. I try to run when I'm feeling a little heavy, just to tone up but never to lose weight. I don't have any problem with my weight at all."

> ***"It's so easy to make things up about me when you don't know who I'm sleeping with!"***

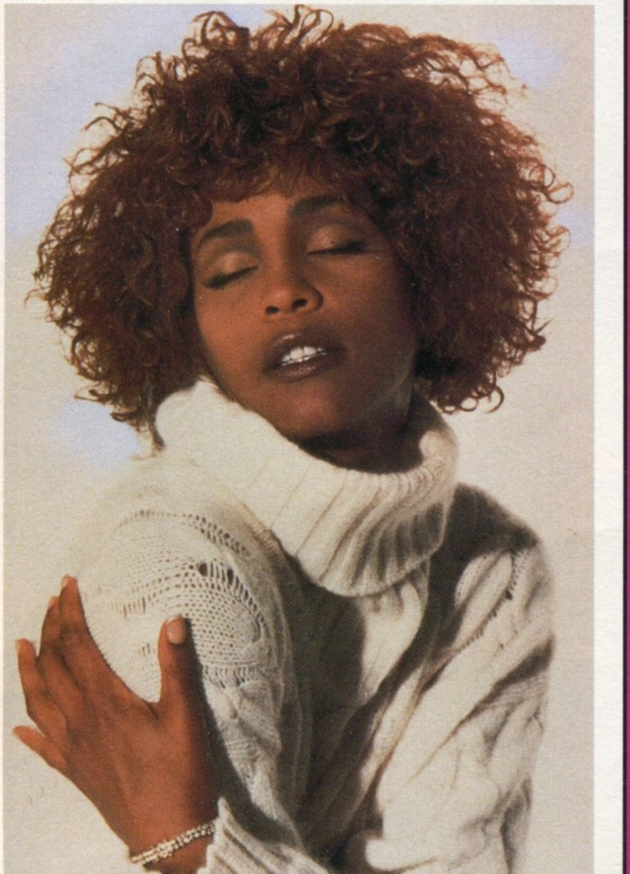
There you have it, how to have a body like Whitney's. Oh, and you might need to call on a few French designers to keep you dressed well. "I have a woman who used to work in the fashion industry. When she got out, she kept up her contacts and now she shops for me. She brings me all the clothes and I pick out what I want."

In spite of all the stylists and designers surrounding her, the singer remains level-headed. "I can still go back to where I come from, laugh and have fun with the people I grew up with. I don't try to be the superstar with the fur-coat, the red carpet rolled out. I think that's awful when people react that way. You make them want to critcize you by behaving like that."

When Whitney's quizzed on future ambitions she muses, "I'd really like to get into movies and maybe find the ideal partner, have children."

And what of her recording career?

"I can do that pop dance stuff in my sleep. But I love Gospel. It's different. It comes from the heart. You don't sing it, you live it." ♣



SHUTTLE DIPLOMACY

When America committed billions of dollars to the NASA space programme some people wondered what possible benefit floating about in a vacuum could have for society.

But the space shuttle has helped develop technology which will be of service to all mankind for many years to come. Thanks to NASA scientists we now have the electronic voice synthesizer and *The Final Word*, a small black box that calls passers-by an asshole.

Simply press the button on the hand-sized digitally-operated, state-of-the-art *Last Word* and it emits a stream of American invective like, "Fucking jerk" and "Fuck you!" Designed as the first stage of the Star Wars defence system, it's a lethal form of retaliation against salesmen and bosses. Costing £9.99, it's cheaper than a phaser, but more expensive than punching them in the gob or swearing yourself. But that's labour-saving technology for you. ♣

FOCUS ON ROCKY

Really the last – honest – of this series which is beyond a joke...

Rocky Racoon knows he is the last of the Editor's pets to receive a profile in Club: after a year of this series, the editorial staff have forced the Editor to admit defeat.

At gunpoint, the Ed has admitted that he has been lying about the names of his pets, their sexual and social preferences, and the size of his roof garden. He now accepts that his only exotic pet is Rocky, pictured right.

Rocky, who is three this year, enjoys a smoke and a laugh with his mates. He has a record of trouble with the Club HQ roof garden police, and has three convictions for threatening behaviour and one for being drunk and disorderly.

"So what if I like a good time?" snarled Rocky. "What's it to you, sunshine?"

However, a cure has been found for Rocky's nasty ways. We shot the little bastard. So much for fucking pets. ♣

GRIPPING YARNS

"Frigate Hard A' Ho, Me Hearties!"

A life on the ocean wave isn't all it's cut out to be. High winds, big waves and a purple porpoise with a stiffy are just some of the things the fearless crew of the Flatulent Pigge have to put up with. Read on, if you dare...

In Battersea Old Sea Dogs Home a pair of ancient salts sat by a roaring fire, supping their tots and mulling over old times. "Ah yes," reminisced retired Admiral Percy Hornpipe, "my maiden voyage. How well I remember my First Mate..."

"So do I, Sir," chirped up retired Bosun Bates. "'Twas with little Lucy Locket behind the whale-blubber factory in Whitby."

Retired Admiral Hornpipe ignored the geriatric jack tar's interjection. He was staring off into space. He felt a flashback coming on... back coming on... coming on...

'Twas in the summer of 1727. The Seven Seas were awash with pirates and the BBCs were awash with repeats. The Spanish Main was aflame, put to the torch by privateers, buccaneers and Tory Peers; desperate sea-wolves such as Redbeard, Captain Blood and Lord St John of Fawsley. But even these ferocious men could not compare with the most feared pirate of them all, the jolly roger herself, Merry Mary Frigate, a woman whose name had men-o-war trembling at the knees from Harwich to Honolulu. Merry Mary Frigate, in her pirate ketch the *Flatulent Pigge*, plied her bloody trade in a three-sided area of the Caribbean close to the Bahamas. During that hot season of 1727 there was many a merchant man lost in Merry Mary's Bermuda Triangle. Aha, aha, aha, Jim lad. Yo ho ho and a bottle of Malibu etc, etc, etc.

ON BOARD THE FLATULENT PIGGE...

Merry Mary Frigate, a large, raw-boned woman with a chestal area that closely resembled two cabin-boys fighting 'neath a sail-cloth, stood on the deck fingering her sextant expertly. She gazed out across the rolling ocean. Sometimes the sea reminded her of an X-rated video: it was bouncing, it was blue, and when she felt hot she wished she was in it. And she was hot now. Red hot. She needed a man. A real man. One who would fill her mainsail, jiggle her jib and oscillate her bowsprit till the barnacles dropped off her bottom. But where would she find such a man? Before she could begin to speculate a cry echoed down from the crow's nest.

"Ship ahoy, skipper!"

"What flag does she show?" called back Merry Mary Frigate.

"Her ensign carries a picture of a public lavatory," replied the watchman.

"Just as I might've expected," yelled Mary Frigate, Queen of the pirates. "She's sailing under a flag of convenience. Well, she'll not show an engaged sign to the *Flatulent Pigge*. Reep the topsail. Trim the mizzen. Prepare to board her from behind, me hearties, and I'll wager the hour will not be up before her hold is full of my bonny seamen. Aha shipmates. Yo ho ho and a half-pint of alcohol free lager, barman etc, etc, etc."

Fifty minutes later the hold of the boarded merchant ship was indeed crowded with cut-throats from the *Flatulent Pigge*. Soon they had uncovered a valuable prize. It was nine inches tall, its shaft was made of silver and the knob on the top of it was 24 carat gold.

"Hand it over, me pretty lads," drooled Merry Mary Frigate. "That thing looks like the answer to me prayers."

TWO MONTHS LATER. ROYAL NAVY HQ, PORTSMOUTH...

Admiral Sportswear paced the floor of his office as he told young Captain Percy Hornpipe of the latest outrages in the Caribbean.

"Looting, pillaging, ships sunk, sailors drowned and the MCC — 63 all out. But worst by far is the behaviour of the busty buccaneer, Merry Mary Frigate. Eight weeks ago she captured the galleon bearing the Golden Roll-On of Bee Oh, King of the Stincas. I don't need to remind you, Captain Hornpipe, that His Majesty's Colonial Service does not go around stealing things from old johnny foreigner simply in order to have it stolen off them by some petty bloody criminal!"

Percy Hornpipe set his manly jaw firmly. "What do we know of the Frigate woman, Sir?" he asked politely.

Admiral Sportswear frowned. "Her ship is a 100 foot ketch, the *Flatulent Pigge*. It goes like the wind and mounts 24 guns."

"And the draught, Sir?"

"Probably a window open down the corridor. But damn it, sailor, there'll be no time for that kind of namby-pamby, 'Shall we tickle a jellyfish, Doreen' sort of talk, when you're out in the Trossocks with Hurricane Hatty blowing your spinnaker for all she's worth. Your ship, HMS *Saucy Sue*, sails tomorrow on the morning tide. Your mission, Captain Hornpipe, is to bring back Merry Mary Frigate."

"Alive, Sir?"

"Aye, Captain, alive. I want to hang her from the yardarm personally. It's the only chance I'll ever get of having a swinging time in Portsmouth. Aha. Aha. Me hearties. Pieces of cake. Yo ho ho and a deadman's vest etc, etc, etc."

As Captain Hornpipe left Admiral Sportswear's office he was already starting to formulate a plan. To catch Merry Mary Frigate he would have to find out her weaknesses. There was only one man in Portsmouth who could tell him what those were: a short-sighted, rum-sodden old leatherback known only as 'Blind' Drunk-Pew. To find him, Percy would have to visit the dirtiest, most awful dive since Anders Limpar's effort

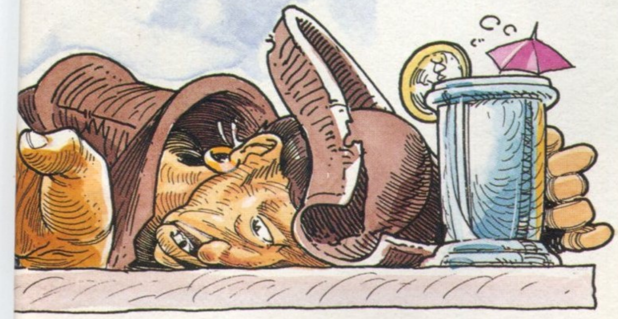
"'Blind' Drunk-Pew told of Merry Mary Frigate's obsession with Moby Willy, the big purple porpoise"



against Liverpool — *Long One Silver's Hawaiian Cocktail Lounge*.

ONE HOUR LATER, AT LONG ONE SILVER'S...

'Blind' Drunk-Pew slurped his grog as he told Captain Hornpipe of the horrors aboard the *Flatulent Pigge*. "Aye, 'tis true. Mary Frigate was obsessed. Obsessed with the thing which had taken from her that which can be replaced neither for love, nor money. Aye, obsessed she is with the big mauve one, his blow-hole a-spurtin' foam and his flanks a-glistenin' — Moby Willy, the purple porpoise. I've seen Mary Frigate off-her-head in the Med, frantic in the Atlantic and causing a commotion in the Indian Ocean because of that beast. Often at nights she'll pace the foredeck and cry out, 'Willy.Willy. I want Willy!' Aye, 'twas a sad and curious sight, and I never didst understand why she rubbed herself up against the mainmast while she was a-sayin' it. 'Tis a mystery, 'tis a mystery. Much like the mystery of how the zaragossa eel do navigate, or how the Rear Admiral came to be so called, or why no one ever 'Challenges Anneka' to fuck off out of sight for the rest of her life. Aha. Aha. Shiver me foremast and lash me lugsail with a string of kippers etc, etc, etc."

THE FOLLOWING MORNING ON BOARD HMS SAUCY SUE...

Captain Percy Hornpipe stood on the poop. He made a mental note to have the decks swabbed more often. "All ready to quickly set sail?" he asked his officers.

"You just split an infinitive," replied Petty Officer Pedantic.

"Och aye, Sir. Hoots mon. I'm ready," wailed Lieutenant Superlager. "Though I'm unhappy to hear that there's 3,000 miles of sea between us and a good ruck with Merry Mary Frigate."

"3,003.26, actually," said Petty Officer Pedantic.

Suddenly Coxswain Cobblers burst onto the poop deck. "Pardon me, Cap'n," he said gruffly, "but Seaman Staines has gone to Davey Jones' Locker."

"Seaman Staines, drowned?" murmured Hornpipe, aghast.

"No, Sir," replied the young Coxswain. "I think he's just stealing some fags out of it."

In the Royal Navy of the 18th Century discipline was strictly enforced. Captain Hornpipe was a kind and decent man, but he knew that if misdemeanours on board ship were not dealt with brutally, they could lead to *Munity*. And Hornpipe had no wish to see David Essex singing a song about pumpkins ever again. So, when Staines was hauled before him he had little choice but to dish out a harsh punishment.

"Staines," growled Hornpipe, "you're about to feel the lash of the cat!"

"No, Sir. I beg you, not that!" Staines whimpered.

"So," roared the young commanding officer, "you fear a flogging do you, sailor?"

"No, Sir," replied the seaman. "I just feel a bit sorry for the cat. His tail nearly came off last time."

Hornpipe snarled.

"Take him below, Coxswain. Flogging's too good for his sort. Give him 40 days in the brig, with nothing but bread, water and videos of *The Onedin Line*. If Peter Gilmour's sideburns don't frighten him witless, then I'm a Dutchman."

He turned to his officers. "We arrive in the Caribbean in three weeks, men," he snapped. "Any questions?"

"Just one," said Petty Officer Pedantic. "Why have we painted the ship purple?"

THREE WEEKS LATER, ON BOARD THE FLATULENT PIGGE...

Merry Mary Frigate had just received word that *HMS Saucy Sue* had entered her waters. The pirate Queen paced the deck, angrily firing questions at her cutthroat crew. "What say we take sanctuary on Leisure Island, me hearties?"

"But Skipper," whimpered Bacardi-Breath Dubloon, "Leisure Island be swarming with redcoats."

"When did the British establish a base on Leisure Island?"

"The British didn't," replied Dubloon. "Pontlins did. They've got a camp there. Horrible place it is, with barbed wire and searchlights, and coachloads of old-age pensioners singing *Roll Out The Barrel* and talking about the War."

Suddenly there was a cry from the rigging. "Avast behind, Captain!"

"I know I have," muttered Merry Mary Frigate. "But it's not my fault. I've got big bones." She quickly realized her mistake, and turned to look over the stern. Behind the *Flatulent Pigge*, and gaining fast, was *HMS Saucy Sue*. Merry Mary whipped out her telescope and looked carefully at the Royal Navy vessel. Those fools at Portsmouth had evidently heard of her little pecadillo and had painted their ship purple in a bid to make her think it was Moby Willy. But such a pathetic disguise wouldn't take anybody in.

Or would it?

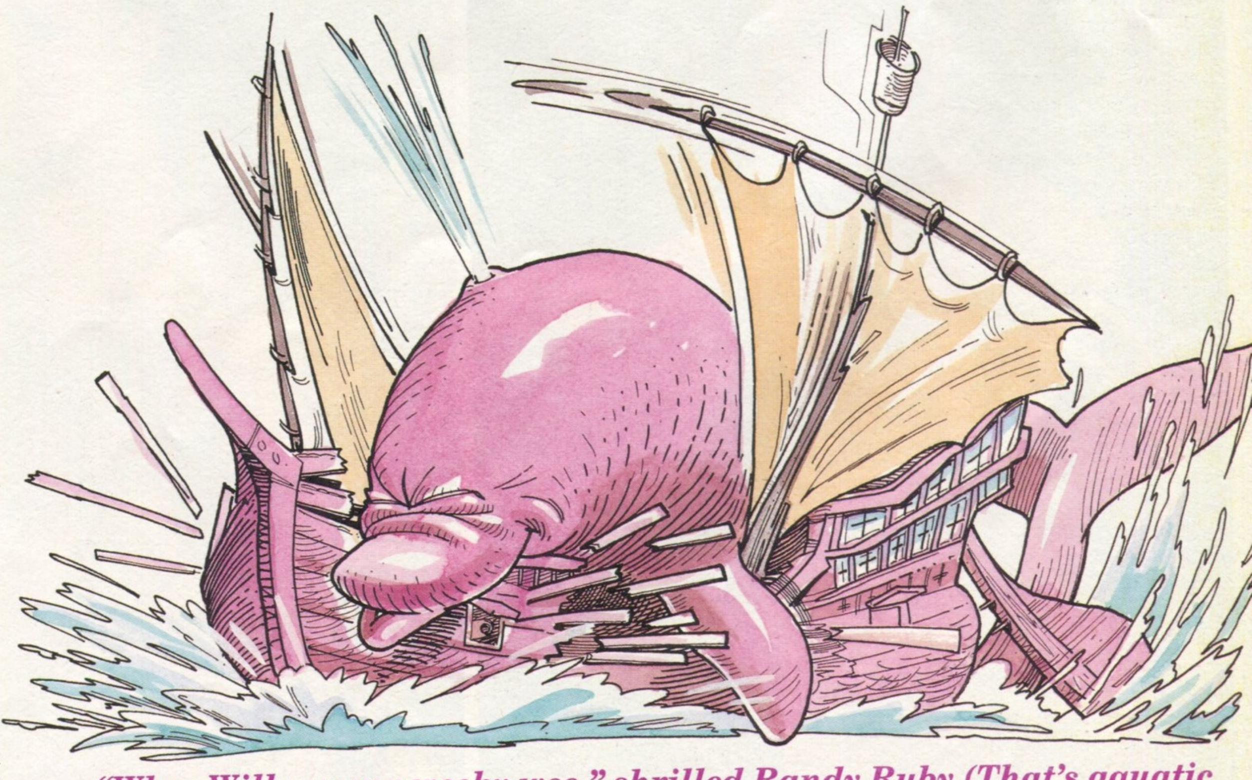
Seconds later the water around the *Saucy Sue* exploded as a great beast emerged from beneath the waves. "Well, splice me mainbrace with a concertina etc, etc, etc," yelled Merry Mary Frigate. "It's Randy Ruby, the Great Blue Whale!"

"Whee Willy weeny weeky wee," shrilled Randy Ruby *(That's aquatic mammal for, 'Come on Willy, let's do it doggyfish-fashion' — Jacques Cousteau)*. And without further ado the massive creature leapt onto the deck of *HMS Saucy Sue* and bonked it to bits... it to bits... to bits... bits.

"And that was the end of my maiden voyage," said retired Admiral Percy Hornpipe.

"But what about your First Mate?" asked retired Bosun Bates.

"Oh," said Hornpipe. "That was with little Lucy Locket behind the whale-blubber factory in Whitby." ♣



"Whee Willy weeny weeky wee," shrilled Randy Ruby (That's aquatic mammal for, 'Come on Willy, let's do it doggyfish–fashion')"

Some ladies collect shoes or handbags, but Newcastle born Sally collects far more interesting things.

"Victorian underwear!" laughed 20 year-old Sally. "I've got hundreds of pairs of lace knickers — I just love the feel of antique lace slipping over my naked body. It really turns me on to feel the fabric clinging to me, making my sensitive nipples stand out!"

But if that isn't

a surprise, we think Sally's other passion will be...

"I'm just coming to that," she said softly, blushing slightly. "I also collect pictures of knobs! Yes, I've got a snap of every dick I've ever come across, if you know what I mean.... and I'm always looking to add to my collection, in case anyone's interested!"♣

WOMEN'S WRITES

Where the girls get down to business

Storybook Sensation

Most of the readers who write in to Club with their sexy confessions have got up to some really amazing things, and I'm sure I'm not the first to tell you how much fun sex on wheels can be — but I bet I'm the only one who's ever written to you about a steamy session in a mobile library!

I'm 26, attractive, and single through choice. Oh, I've had guys asking me to move in with them and even marry them, but the truth is I prefer my freedom.

Anyway, the day of my little adventure, I woke up feeling randy, and almost wishing I was living with some red-blooded male who could give me a bit of attention. I made do with my fingers, but I was still feeling frustrated when I got dressed, and that was what made me put such a sexy outfit on.

I've always liked wearing stockings as I know they really make my long legs look good, but I don't normally walk around with no knickers on. Still, it seemed like a good idea at the time! I left my bra off too, and with just a short black skirt, a thin blouse, stockings and high heels, I looked as sexy as I felt.

Well, getting dressed up like that made me feel randier than ever, so I had to think of something to do to work off all that frustration. All my regular boyfriends would be at work — and so was a girl I sometimes had mutual frigging sessions with! — so it looked like I was left to my own devices.

I was gazing out of the bedroom window, searching for inspiration, when I spotted the mobile library parked on the corner. That gave me an idea. I'd go down and find some really torrid novel and work out my sexy feelings over that!

I raced down the street to the little van and started browsing through the shelves. I was looking for something really filthy but all I could see were Mills and Boon romances. They weren't what I had in mind at all! I was just about to give up when a deep voice said, "I think the stuff you want's on the top shelf, love."

I turned to see a big bloke in jeans, a T-shirt and a baseball cap grinning at me.

"Jim's my name, library books are my game... at your service, Miss!" he said. I gave him a scorching look.

"I didn't know they had such hunks working for the library service," I drawled at him huskily.

Now, when you say something like that to most guys, they blush or look embarrassed, but Jim just met my gaze with a smile.

"Here, I'll hold the ladder for you if you want to look at my top shelf selection," he said. "There's some pretty hot stuff up there."

He wheeled over the steps and held them steady as I climbed up. I'd just started studying the titles on the top shelf when Jim whistled. I looked down at him.

"Just admiring the view," he said, his grin broadening. It was then that I remembered I was wearing nothing but stockings under my short skirt. No wonder he looked so happy!

"I think a helpful fella like you deserves a closer look," I said, raising my skirt so he was staring straight at my shaven pussy. He licked his lips, then touched me gently, right between the thighs. I moved my legs further apart, and he slid one finger between my pussy lips. I was wet already, and his finger slipped smoothly into my cunt hole. I spread my legs apart as wide as I could without losing my balance and falling off the ladder, as

he pushed another finger into me and started to move them in and out, rubbing my clitty at the same time.

As Jim pumped his fingers in and out of me I began to moan gently, my cries getting louder as he suddenly replaced his hand with his hot tongue. My juice was running into his eager mouth as I got increasingly carried away, pushing my cunt against him as he lapped at me. Before long I felt my pussy walls contract, then spasm wildly as I climaxed.

Jim flashed me that cute grin again, and said, "I wonder what your neighbours think of that!" I realised that anyone passing would have had a good view of me getting my pussy licked. Well, I hope they enjoyed it as much as I did!

"There's someone I'd like you to meet," Jim said. "Wait here a minute." He jumped out of the van, then reappeared moments later with a very cute blonde girl. "This is my driver, Marie," he said. "Marie, this is a young lady with the juciest pussy I've ever tasted. I think you'll like her."

"Jim and I always have the same taste in girls," Marie told me, "but this time he's really surpassed himself!" She shut the doors so there was no danger of us being interrupted, then unbuttoned my blouse.

"Hmm, nice tits!" she said, licking each nipple in turn. Then she undid my skirt and let it fall to the ground. "Nice pussy too," she added, kneeling in front of me. "I can see Jim's got you really wet for me." With that she began licking me. Her probing tongue felt even better than Jim's had, and within seconds I was as out of control as before. I caught Jim's eye and he winked at me, as he unzipped his jeans and pulled out his stiff cock. It wasn't especially long, but it was so thick his hand hardly went round it, and I wondered what it would feel like inside me.

After a while Marie said, "Okay Jim, I reckon what this young lady really wants is a ride on that big, hard cock of yours."

I nodded, and Jim pulled me over so I was standing astride him. I knelt down over him, then slowly sank onto his rigid cock. I was so juiced up it slid right into my cunt in one smooth movement. A sensation of incredible pleasure hit me as I began moving up and down on his thrusting pole. Marie gazed at us, her eyes wide with lust, and she pulled her skirt up around her waist and took off her knickers so she could finger herself as she watched our rampant display.

Jim's hips bucked as he thrust his throbbing cock into me, and as I rode him faster and faster I could feel my excitement rising to boiling point. I could scarcely hold back my climax as Marie moved over Jim's face so he could lick her out as he fucked me. She was soon gasping, obviously approaching her own orgasm, and the sight of Jim's tongue working in and out of her blonde cunt was all it took to send me over the edge. I moaned loudly as my pussy tightened its grip on Jim's dick, and the waves of orgasm swept through me.

Marie was still wriggling on Jim's face, and she stifled a scream as her climax hit her. As she gasped, Jim gave one final thrust and filled me up with his hot come. My pussy rippled around his cock, milking him dry. It was the best fuck I'd had in ages. So good, in fact, that rather than stopping now, I carried on squeezing his cock with my pussy until I could feel it rising, and then we did it all over again!

Eventually we had to untangle ourselves and get dressed — after all, Jim and Marie were supposed to be working — but we made a date for the same time next week, when they return to my street. As I left, Jim flahed me that grin one more time and said, "Hey, I thought you were after a book?"

"Don't worry," I laughed, "I found exactly what I was looking for!" — *Belinda, North Wales*

Tantalising Temp

My name is Linda and I'm a lesbian. I'm 23, five foot eight tall and slim built with long blonde hair and an ample 38-25-36 figure. I've slept with a few men in the past but generally I've found them to be a bit of a flop. Believe me, if you haven't had your pussy licked by another woman who knows exactly what she's doing then you haven't lived.

I've been reading Club for over four years now, since an old girlfriend introduced me to it. Your Talkin' Blue section is what prompted me to write and tell you about one of my most recent lesbian experiences.

I've been working as an accounts supervisor in a large department store for about six years. The other people in the store don't know anything about my double life, and that suits me down to the ground. Of course, a lot of the guys have asked me out time and time again, but I've developed the knack of the gentle 'put-down'.

However, when it comes to women in the store that's a completely different story. There have been many attractive women working beside me but unfortunately I've never had the opportunity to get anything going with another woman at work —that is, until just before Christmas.

We'd been getting gradually busier, what with the Christmas rush, and I found it necessary to bring in an temp for a few days to help me out with the unusually heavy workload.

When Julie walked into my office in the store I almost creamed my knickers on the spot. She had short dark hair and a very slim, almost

waif-like figure. I quickly introduced myself to her and set out to find out as much as I could about her. She told me she was 19 years old and single. She seemed very friendly indeed, and I couldn't help noticing the way she was eyeing up my ample cleavage as I talked to her. By the end of the day Julie and I were getting on famously, laughing and joking with each other, and I could swear that when I was bending down for something Julie's eyes were fixed firmly on my bottom. Then the idea struck me.

"Julie, I'm afraid that there's quite a lot of work to be getting on with. Would you be prepared to work after the store closes?" I asked tentatively. Julie's eyes lit up and she smiled and raised her eyebrows at me.

"Just the two of us?" she said with a grin.

"Yes, just the two of us," I replied, smiling.

Come 5.30 the last of my colleagues was leaving, and by six o'clock the building was empty except for Julie and me. Up until then I'd occupied Julie with enough work to make sure that she looked busy to everyone else in the store, but at six o'clock she stopped working completely and walked over to where I was sitting. What happened next was out of this world. Julie stood there in front of me with a sexy smile on her face.

"Well, do you want to fuck me then?" she asked. My mouth dropped open in amazement and I just nodded my head, smiling eagerly.

"Come on over here then, Linda," Julie ordered. I couldn't believe that this mild-mannered temp was suddenly taking complete control of the situation and being so dominant. I walked over to where Julie was standing. She pulled me close to her and kissed me very passionately.

All the feelings I'd been suppressing during the day suddenly seemed to boil up inside me. Julie's hands seemed to be all over me now, caressing my tits, sliding between my legs, stroking my long, blonde hair — and I was responding like a finely tuned sportscar.

Kissing her way down my neck, Julie probed around the back of my dress, fumbling with the zip until my dress fell to the floor in a crumpled pile. I was standing there in front of her wearing a bright red bra, matching panties, stockings and suspenders. Julie took a step back and admired my near-naked body before nestling close to my boobs and gently tugging at my bra. Unhooking it, she popped one of my swollen nipples into her mouth and began sucking on it. Julie was in total control now and I gladly let her run rampant over my body.

Moving her hands down the sides of my body, Julie hooked her thumbs into the sides of my panties and in one swift movement pulled them down to my knees. She knelt in front of my pussy and started teasing me by kissing around the inside of my thighs. My pussy was screaming out for some attention now.

"Lick my pussy," I shouted. "Please do it now, Julie!"

That was all it took and Julie frantically buried her face in my creaming minge. She was certainly no lady when it came to pussy licking, and she was almost nibbling at my cunt. Pulling apart my cunt lips, she flicked her tongue hard against my clitty and I thought I was going to faint with the force of her licking.

She was gripping my bum cheeks and I could feel her nails digging in when suddenly I felt that familiar quiver and I knew I was heading for my first orgasm. My breathing quickened, my breasts heaved and my pussy felt like it was on fire, and then the full force hit me. I let out a loud scream of pleasure and dropped to my knees beside Julie.

"Did you enjoy that?" Julie asked me. The ecstatic expression on my face gave her the answer she wanted to hear and I pulled her gently towards me.

"Now it's your turn," I told Julie and I began frantically pawing at her, trying desperately to get all her clothes off.

"No, wait a second," she said, standing up. She took a few steps back and then began treating me to my very own private striptease. Slowly and tantalisingly, she took off her dress to reveal a lacy black bra and a tiny black G-string pulled tight between her legs. She was running her hands over her body and all I could do was sit back and watch, my fingers pushed deep inside my pussy as I feasted my eyes on Julie's beautiful young body.

She unhooked her bra and her small breasts looked beautiful, her nipples almost a full inch long as they stood to attention. I desperately wanted to suck them, but every time I moved towards Julie she gestured to me to stay where I was as she carried on with her striptease.

Finally Julie dispensed with her G-string, flinging it at me, and then she beckoned to me to come across to her. Pushing me onto my back on the floor, she straddled me so that her wet pussy was directly over my face, and I eagerly grabbed her hips and pushed my tongue deep inside her. As I did this Julie mirrored every move I made. I moved my tongue around inside her pussy, and she began to do the same to me. This was one delicious, horny 69 session!

Speeding up the pace, I licked harder and faster at Julie's cunt and she did the same thing to me. I could feel another orgasm fast approaching and as I pushed deeper inside Julie's pussy, she let out a sudden yell. Faster still, until Julie was almost screaming the place down. I sucked on her sweet cunt, until finally we both erupted in a flaying mass of limbs. Then both our bodies went limp and we lay there until we got our breath back.

We finished off by getting dressed and going back to Julie's place for some more filthy frolics, and now I'm seeing Julie as regularly as I can. I'm happy, and my pussy has never been getting so much attention!—

ON THE JOB

Dressed To Thrill

Ever since I started my first job, straight from school, I've had a crush on my boss. Until recently I had no idea that she knew about this, because I'd always been very careful to hide the fact, but now I've realised that she knew all along. And far from finding the fact that a 19-year-old girl had a huge crush on her embarrassing, she was revelling in the whole situation.

I work in the offices of a small local firm as a general Girl Friday, doing the typing, reception, and anything else that needs to be done. There are only a couple of other people who work there all day apart from my boss and myself; the company retails and wholesales posh ladies' outfits, and so most of the employees are on the sales side of things. But I'm there all day every day to make sure that the office keeps ticking over properly.

I'd never seen my boss, Anthea, before I started working there, because I got my job through an agency, and just had to turn up on my first day ready to work. I'll never forget the way Anthea strode confidently into the office and demanded to know who I was, her feet in very high heeled red patent court shoes planted firmly apart, her vivid red suit showing off every contour of her stunning figure. She was one of the sexiest women I'd ever seen.

I blushed furiously then, because Anthea had obviously forgotten that I was starting that day — but also because my fingers were suddenly trembling so much that I dropped the file I was holding, and colour suffused my face and chest as I felt my cunt contract with lust. In that single moment a fleeting image ran through my mind of Anthea, wearing just those red court shoes, standing in front of me while she thrust her long fingers in and out of my soaking pussy and stroked my clitty with one perfect fingernail.

I tried to hide my confusion by picking up the file and shuffling the papers, but I know Anthea must have seen what I was thinking written all over my face. I just didn't think she'd taken any notice.

After that, I found that every time Anthea came anywhere near me I'd tremble furiously, my knees would start to shake, and I'd just colour up if she even spoke to me. But despite the fact that I always seemed to fumble in front of her, she liked my work and gradually she gave me more responsiblity, until I was more like her personal assistant than anything else.

It was something that happened after I'd been there a year (I'm now 20) that I want to write about here.

Anthea had been out for the day entertaining some very important clients, and I'd had the office to myself. By the time it was 5.30 I was ready to go, but I couldn't leave as Anthea had the keys and so I couldn't lock up. I felt annoyed, but resigned myself to the fact that I was stuck there until she came back.

I made myself a cup of tea, and while I was drinking it my eyes fell on a shipment of new dresses that had just arrived from Italy. I'd seen them in the catalogue; they were our best ever range, Anthea had said, and would make any woman look and feel like a million dollars. What the hell, I thought — no-one was around and Anthea would probably be another hour or so.

I stripped down to my bra and panties, glancing at my girlishly slim figure in the full length mirror as I stood there, thinking to myself that with my long hair piled up and a pair of high heeled shoes on, even I might be able to look sophisticated! I started to flick through the rack of dresses, looking for one that would really suit me. My eyes fell on a lovely red velvet number, deeply slashed at the back and with the hem at mid-thigh length. I knew that was the one I had to try on.

I'd slipped it on and was admiring myself in the mirror (and getting more than a little turned on at the sight of my body covered in all that luscious velvet, I have to confess). It clung like a second skin to my curves, and the red looked great against my pale skin. At that moment, the office door burst open and Anthea strode in.

She was a little flushed and looked very excited, so I knew she must have had a successful day. However, all I was worried about as I stood in front of her was whether she was going to be furious that I'd been touching the new dresses without her permission.

She walked towards me, her tight but business-like suit clinging to every curve of her body. I could see that her boobs were heaving as she got closer, until she was standing behind me. Then she turned me so that I was looking into the mirror again, with her gazing into my eyes in the reflection.

"You look great, Debbie," she told me, reaching down

to smooth the material slowly over my hips. I watched, mesmerised, as her fingers moved round to my pussy mound and splayed over it, making me contract deep inside my cunt. I felt incredibly wet. "In fact, you look more sexy than I've ever seen you. You're usually so prim and proper."

I don't know what happened then, but the next minute we were kissing passionately in front of the mirror, and Anthea's hands were exploring every inch of my pliant body. She cupped my small, high boobs, moulding them into her palms as her tongue snaked all around my mouth and our teeth almost banged together, and then she moved her hands down to feel my taut bottom. The sensation of her hands on my buttocks made me squirm with pleasure, and set my heart pounding. I knew that it was only a matter of moments before her fingers reached my pussy, and when they did, I would certainly explode.

"I can't help myself," she was murmuring as her fingers went towards my pussy. "You just make me so wet, Debbie."

I was so full of lust I couldn't speak, so instead I kneaded her full boobs with my hands, feeling how hard and stiff her nipples were. I almost ripped off her blouse and sucked them there and then. This was what I'd been fantasizing about for so long, feeling Anthea totally in command of my body, her fingers rubbing my mound faster and faster. My cunt was so slippery I felt I could take as many fingers as she wanted to give me.

As I stood there, my head thrown back, and my mouth open, I felt the zip of the dress being drawn right down my back, and Anthea slid the dress off my shoulders, rolling it down so that I could step out of it.

"I know this is what you've always wanted," she whispered to me as she nibbled my ear lobe. "I know you've had a crush on me all this time. I've seen the way you stare at my legs. Why don't you stroke them?"

I had to do what she asked. Kneeling down, wearing just my bra, tights and knickers, with a large wet spot staining my crotch, I stroked those long, slim legs as Anthea stood above me, pulling her skirt right up to her cunt.

To my surprise I could feel her knees trembling as I rubbed the backs of her calves with both hands. The sensation of her sheer stockings against my palms got me more and more turned on, and I rubbed and caressed higher up. Anthea was breathing very hard now, struggling to keep herself under control.

I could scarcely believe the next words that came out of my parted lips. "Why don't you undress yourself, Anthea?" I asked. "I'd love to see all of you."

Anthea looked down at me and smiled. "I thought you'd never ask," she drawled, and unzipped her skirt before dropping it at my feet, then throwing off her blouse and jacket. She stood there above me, looking magnificent in those sheer black stockings and her black silk underwear, panting with desire.

"Do it," she breathed, her eyes burning right through my bra. I felt so hot it was almost as if she was licking my nipples with her eyes. "Lick my cunt. You know that's what you want to do."

Of course it was. Without another word I nuzzled up close to her pussy, feeling how hot it was, then hooked my fingers into the sides of her panties and yanked them down to her ankles.

Immediately I could smell wonderful, tangy pussy juice. I stroked Anthea's pubes, feeling the springy curls under my fingers, then parted her cunt lips.

The insides of her thighs were coated in juice and I licked them, hearing Anthea moan as I tasted her cunt for the first time. Getting bolder, I ran my tongue along the length of her slit. More juices. Taking turns with my fingers and my tongue, I stroked and played with her engorged clit.

By this time Anthea was gasping, and gripping my head so that I could get my tongue right up her. "That's it," she was urging me, bending her knees slightly so that she could really grind her cunt onto my face, "lick my cunt. I want you to taste me."

I licked at her wet cunt furiously, driven wild by the taste of her, my finger still playing with her clitty. Then

I felt Anthea push my hand out of the way and replace my finger with her own.

"I know what you want," she whispered, slowly stroking her clitty herself. "You want to taste yourself, don't you? You want to know if you taste as good as I do."

I couldn't believe I was doing this. I reached down and put my hand right inside my tights and panties, down to my burning cunt.

I was soaking, my juices going right through the gusset of my knickers and dripping into my tights. As soon as I even touched my clit I came, with hot waves washing over me, making me shake. I kept up my stroking rhythm as I got back to licking and eating Anthea, her hips thrusting forward as she rammed her creaming pussy into my face.

"Now do it," she whispered to me as she came, her cunt quivering into my lips. "Taste your own juices."

Looking right into Anthea's eyes I slowly raised my two fingers, the ones that I'd used to rub my clitty and which were coated with my juices, into my mouth.

I never took my eyes off Anthea's face as I sucked my own juices, seeing how she could barely control herself as she looked at the way I sucked my finger tightly right into my mouth and pursed my lips as if I was sucking a cock. My cunt juices tasted delicious too.

Anthea couldn't control herself any longer. The next minute she'd grabbed my hand and was kissing it all over, biting into my palm slightly on the fleshy part, which sent tingles all the way down my spine. Then we were on the floor and she was on top of me, our boobs squashed together under our undies, kissing frantically.

Somehow as we were writhing on the floor, my bra and Anthea's became entangled, and we broke apart, laughing. It didn't seem as if we were boss and employee, more like a pair of lovers who'd been fucking each other for years. Anthea looked down at me, and then without warning she reached down and took off my tights and knickers, rubbing her fingers up and down the inside of my wet, swollen pussy lips. I was just lying back, enjoying the sensation of her fingers sliding easily in and out of me, just on the verge of a beautiful come, when Anthea suddenly got to her feet and stood over me. For a moment I thought that she was going to offer me her delicious cunt again, but to my surprise she stepped out of her panties and went and opened the door.

"Come out here," she smiled. "There's something I've always wanted to try."

Puzzled, and completely naked, I followed her outside to the yard where everyone parked their cars. She switched her headlights on and they shone a wide arc of light over the forecourt. It was pitch black outside by now, and silent. I hadn't realised that it was so late. A thrill ran through me as I realised how visible we were!

Anthea stood right in the beam of light, so that it shone all over her smooth skin and showed just how lovely her body was. She'd started her car engine running; I could hear the hum of it as I walked across the yard.

"Its bodywork's almost as good as yours," she joked as she pulled me towards her. "Now here's what I want to try out."

With that she bent me back so that my buttocks touched the bonnet of the car. The vibrations ran right through my cunt, making me shake as if a thousand women's fingers were touching me up all at once. Anthea eased me further up the bonnet so that I was sitting up on the warm, most strongly vibrating part, my legs splayed so that she could examine every fold and crevice of my cunt as closely as she wanted.

As I leaned back she spread herself forward on the bonnet and buried her face right into my cunt. It was ecstasy. With the engine and Anthea's tongue both working me over, I was soon trembling and gasping to a wonderful orgasm, shouting out her name in the empty yard as I climaxed several times, each come stronger than the last.

I didn't have time to recover after that as Anthea lay prone right on the bonnet and pulled me on top of her, guiding my fingers down to her soaking cunt.

I masturbated her eagerly, feeling my fingers slipping up and down inside her wet lips. It was only a minute or two before she came, her pussy muscles clenching around my fingers as she panted to her orgasm.

When we got up, the bonnet was smeared with our love juices, and we both creased up laughing at the sight of her posh car covered like that. I had a job explaining to my flatmates why I was so late that night, but since that occasion Anthea and I have carried on our affair, and she has taught me more about sex than I'd ever thought possible. In fact, it was she who encouraged me to write in to you — we'll be using our story in one of our marathon frigging sessions if it gets published!

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

My friend Diane and I aren't what you'd normally call a couple, but we do live with each other, and we do get into a lot of situations which probably make us closer than the average couple. We both work at a small local radio station in the South. That sounds pretty glamorous, I know — but really it isn't. It's just like a glorified hospital radio, being broadcast to about 50,000 people around the county. It gives out local news and mostly plays the kind of easy listening records that all the housewives like to listen to while they're doing their hoovering.

Most of the people who work at the station are getting on for middle age — Diane and I are the only young people. She's the secretary and I work on reception.

The reason I'm writing to Club is to tell you what happened between me, Diane and one of the DJs at the station, Ken. He's the rock DJ, doing a late night show once a week, and works under a pseudonym. It's quite recognisable, so I'd better change it and call him Nasty Nick for the purposes of this story (I don't want to get myself into trouble!). His audience is quite large and enthusiastic, and sometimes he's even had celebrity guests in on the show, but the way he goes on you'd think he was Gary Davies !

He struts around the station, name-dropping and trying to chat up Diane and me constantly. He's so full of his supposed powers of attraction that he's even tried to chat up Brenda, the station controller's assistant, and she's all of 50.

The last straw came when he strolled in one day, and bent over Diane's desk, hoping that she would take the bait.

"You're looking gorgeous today, darlin'," he said. "I can imagine how those lovely pert little boobs of yours must feel wrapped in that tight jumper. I bet you'd much rather have my hands covering them up and rubbing those little brown nipples until you're dying to have them sucked. I can almost taste them..."

And with that he was snogging Diane. By the way she was wriggling in her chair I knew she was enjoying it, and if there hadn't been anyone about to see him fondling her straining boobs under her jumper I knew that she would have had his trousers down in a trice and started sucking him off.

But the problem was that they weren't alone. Brenda and I were both there, Brenda staring disapprovingly (though I noticed she made no move to look away) and me giggling and privately urging them to go all the way because the sight of them was turning me on. That would have been OK; Diane's never been backward about fucking in front of me, and we've even had the odd threesome on occasions, but just at the moment when Nasty Nick had got his hand inside her jumper and was clearly fondling her nipples under her bra as they carried on a marathon kiss, the station controller walked in.

To cut a long story short, he was livid, and it was all Diane could do to keep her job as he ranted about the loose moral standards around the place. It was only afterwards that we noticed that Nasty Nick had slunk off very quietly.

"I bet he doesn't get such a bollocking," I said to her as she tried to recover her composure. "There's no way you should let him get away with that, Diane."

Even Brenda agreed with me there, and we spent the rest of the afternoon concocting a plan that would get Diane her revenge, while causing Nasty Nick the maximum embarrassment.

We came up with a corker, and planned to carry it out the next day, when Nasty Nick's show was broadcast. We had to let Brenda in on it, because we needed her to steal the studio key for us. We knew it was a great plan because she couldn't stop laughing as we outlined it.

After Diane was meant to have packed up work the following day, she stayed around in reception with me, until the time came for Nasty Nick's live show go on air.

Sure enough, at ten he went on air, and we let him go on

for about 20 minutes before putting our plan into operation. Using the key that Diane had got from Brenda, we went into the studio — strictly forbidden while a show is on air. Nasty Nick was alone, as all his music is pre-recorded so he doesn't even need an engineer. He was just cueing a tape up when we came in, and you should have seen the astonished look on his face.

He had to carry on what he was doing, of course, but his eyes widened as we both stood in front of the tape decks just feet in front of him, and started doing a very sexy striptease in time to the music he was playing.

Diane started first, grinning at him as she stepped out of her high heeled sandals and held one up in front of his nose so that he had to sniff her foot, while leaning over the desk leering at him.

I stepped out of my knee boots and rolled down my stockings one at a time, holding them up in front of Nasty Nick before removing my suspender belt and dangling that over his microphone. I walked round behind him then, and already I could see a bulge forming in his jeans. He was squirming in his seat as he fought to carry on broadcasting in the face of the attack from the enemy!

Diane was down to her bra and panties by now, dancing around in front of the decks as Nasty Nick's eyes followed her, her big, squashy boobs jiggling about inside the red lace. She was holding out her boobs with both hands, almost rubbing them in Nasty Nick's face as he tried to carry on broadcasting. I could tell it was a struggle for him : the mound of his cock was straining at his zip and looked incredibly painful!

I couldn't let Diane have all the attention, however — though it was going to be hard wrestling Nasty Nick's gaze away from her. She'd lifted her boobs clean out of her bra cups and was licking her hard, enormous nipples as she squeezed them together, making a massive cleavage. In order to get some of the attention back to me, I stripped off all my clothes and threw them onto the floor as Nasty Nick was introducing the next track.

Then I pranced around in front of him, laughing silently as I watched him nearly choke when he saw my smooth, naked body. As I got bolder I started to rub my body all over, feeling my little boobs and the way the nipples were hard under my palms. All of a sudden I felt all hot and moist between the legs. Standing still, I rubbed my thighs together, feeling myself get wetter and wetter. I was losing control a bit.

I reached down between my legs and tentatively rubbed my clitty, to test how aroused I was. The way it throbbed under my thumb and I shivered with reaction told me what I had to do. Licking my finger I reached down and vigorously rubbed my clit, making myself gasp with pleasure as I came.

Diane, who'd thrown off her undies now and dangled them over Nasty Nick's mike too, was looking at me, and mouthed, "You dirty bitch!", before leaning down to scribble a note to Nasty Nick. He took it with shaking hands as he tried to keep up his macho voice over the air. It read: 'That dick of yours looks as if it wants a bit of air. Why don't you let it out?'

He didn't need to be told twice, and whipped out his cock under the desk. Pushing his chair back, he sat there so that we could see it sticking up like a flagpole from his unzipped jeans, a few wisps of his dark bush poking out too. The tip was moist and sticky with pre-come.

Diane turned to whisper in my ear. "We've got to get him really out of control." I knew what she was going to do, and parted my legs accordingly. Facing each other, we put our hands to each other's pussy and stroked and fondled, all the time watching for Nasty Nick's reaction. When I felt Diane's slim fingers in my already soaking love hole I couldn't stop myself shuddering, and as she stroked me harder and faster I pushed my mound right against hers and squeezed my cunt muscles around the three fingers she had inside me. At the same time I probed her cunt with fast, short strokes, my fingers almost slipping out, she was so hot and wet. When she shuddered against me that made me come too, and we both posed then, facing Nasty Nick and grinning brazenly.

That was it for him. He lost it completely. He didn't even have to stroke his knob before we watched it twitch and he spunked all over himself. The white, sticky cream went all over his shirt and jeans.

Just then he had to change a tape, but I was enjoying the feel of Diane's fingers in my cunt, so I writhed my hips against her and rode her fingers again. The cheeky cow though — with her free hand she wrote another note to Nasty Nick, reading: 'I hope you've got more cream than that for us — we'll make it worth your while. Just stroke that dick and get it hard again.'

Immediately his hand was grasping the shaft of his cock, which I must say was a good size, and he was wanking himself slowly and carefully, obviously still sensitive having just spunked. As I watched him, Diane slid down my body, still keeping her fingers inside my sticky cunt until she was kneeling on the floor in front of me. Then I looked down and watched as she parted my bush and lips with both index fingers, and pushed her tongue right up my cunt.

She licked me out expertly; I wondered if she'd ever done it to a woman before, she was so good. I started orgasming, and just when I thought I couldn't possibly come any more she'd make me climax again, my legs buckling as I bit my knuckle to stop myself from yelling.

I lost track of how long that went on, though in reality it

City Trading Limited, Reg. Office, 547 Cranbrook Road, Ilford, Essex Reg. No: 2174586 was probably only a few minutes. When I was able I opened my eyes and grinned at Diane. She got to her feet and went around to where Nasty Nick was sitting.

He was wanking himself more vigorously now, and watching our every move, obviously trying to prepare himself for whatever we might do next.

A song was playing so she couldn't be heard on air when she spoke. "I can see you're going to make a mess again," she said, "so I'd better do something about that." And she crawled under the table, took his cock right into her mouth and started sucking so hard her cheeks went hollow.

I just stood and watched the expression on Nasty Nick's face as she gave him one of her expert blow-jobs. He was shoving his hips forward so she was practically swallowing his balls as well, and by the way he was panting he wasn't going to be long in unloading again.

Just then he realised it was his cue for speaking between tracks — I could see the panic rising in his face as his orgasm and cue came at the same time!

I don't know what he meant to say, but all that came out was a strangled yelp, so that was what the listeners must have heard. I laughed silently as he struggled to regain control as Diane swallowed his load first go and sucked him dry. When he had finally recovered, Nasty Nick was in shock – we'd succeeded!

After his show had finished we did another little lesbian show for him, and now he gives us presents of sexy lingerie and free records in exchange for more of the same — but we tease him by never letting him fuck us. All he's allowed to do is wank, or be sucked off if he's been extra generous. I still wish I had a tape of that first night though — he's always refused to let either of us hear the studio copy! — *Sarah, Devon* ♣

We always said Jo, who made her debut way back in Vol 19 No 12, would be back, and here she is. We also told you about the 19-year-old's embarrassing habit of tweaking her own nipples when she gets excited. We're happy to say, that Jo still can't help

playing with her 38 inch boobs — unless she has somebody to do it for her.

"My nipples are really sensitive and I just love to gently squeeze and caress them between my own fingers — though it's even better if I can get a fella to do it for me! That's one way that's guaranteed to get me really excited!

"Last week on the train, I started squeezing my nips through my thin cotton blouse," she recalled with a wicked smile on her face. "The guy opposite went scarlet! He just didn't know where to look — and I bet you can't guess what he done next? He started fiddling with himself as well!" ♣

COMING IN

club

It's behind you!

Clare's got a bit of a problem. She's lost her trim little rear. Can you help her to find it, Club readers? Our cute and curvy Clare has looked all over for her pert posterior, but it's nowhere to be seen.

"Whatever will I do?" she gasped as we tried to comfort her. "I need it for next month's issue of Club. Everyone will be counting on me to show off my peachy buns in all their glory."

Well, readers, we know exactly where Clare's gorgeous bum is, so should we tell her? Naaaah, let's just sit here and look at it for a while, eh lads? ♣

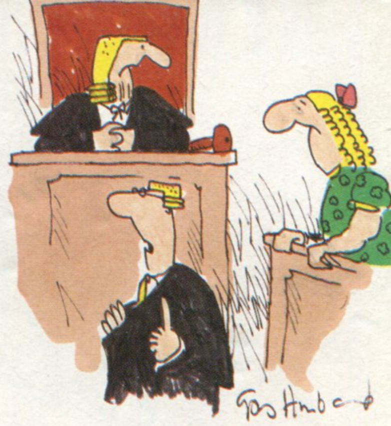
IN·THE·BAG

continued from page 14



Yes members of the jury Goldilocks did eat the porridge, but one only has to look at the unhappy family background....

Caroline knew that I had the hots for her and would often tease me when Sandra wasn't around. You know the sort of thing, rubbing up against me or flashing me a glimpse of her dazzling 'come-to-bed' eyes. Every New Year, my hopes of getting to grips with Caroline were raised, along with my cock, when Caroline had her annual party. She would always tease me with a quick grope and kiss.

However, it all changed last year. My wife was ill and so I went to Caroline's party alone. I was looking forward to the old routine under the mistletoe and hoped that things might go a little further this time.

The party was in full swing and as usual Caroline cornered me under the mistletoe. She lead me through to the kitchen and I expected the usual 20 second kiss and grope but things went far beyond that! As we necked Caroline pulled me towards her, grinding her hips into me and started making groaning noises.

I was sure that Caroline was going to stop me as she moved back to sit on the tumble dryer. But to my delight she unclipped her bra. Her beautifully pert breasts met my warm tongue and I felt her nipples grow as I greedily sucked on them. My hands moved down under her skirt as I stroked her bare thighs. Caoline reached down and started to feel my growing hardness through my trousers and then in one swift movement she dropped to her knees, unzipped my fly and grabbed my throbbing dick with both hands. She started gently licking and then frantically sucking and I looked down to see the whole length of my swollen dick disappear into Caroline's eager mouth. Just as I was about to come Caroline pulled my dick out of her mouth, giving my cock a final kiss before she ordered me to lick her out.

I perched Caroline back on the tumble dryer and ran my tongue up and down her creamy white thighs, teasing her clitoris with my fingers. She looked down at me and asked why I didn't kiss her pussy. She looked amazed when I explained that I had never 'gone down' on Sandra, let alone any other woman. She told me to relax and then explained to me exactly where to lick, nibble and rub. For the very first time I got a taste of a woman's pussy, as I pushed my tongue deep into Caroline's pussy.

Although I was enjoying eating Caroline's pussy the selfish part of me couldn't wait a second longer and I stood up and in one slow movement pushed my cock deep into her creaming cunt. It wasn't long before the inevitable happened and I let out a loud groan and emptied my load deep inside her inviting love tunnel.

I would gladly have spent the rest of the night with her but we both knew that we had to get back to the party before we were missed.

I can never thank Caroline enough for introducing me to the joys of unbridled, frantic sex and my sex life with Sandra has never been better! — *Mark, Leicester* ♣

SON OF BAD JOKE

C'mon fellas, it's that time again when we ask you to send in your favourite joke. The prize? The adoration of the entire Club staff... oh, and a well-trendy Club T-shirt. This time round we look to Frank from Peterborough for our jollies. Go ahead Frank, make our day...

Ivan goes into a Moscow car showroom to order himself a brand new car.

"Certainly Sir," says the assistant. "What model would you like?"

"A Lada," Ivan tells the salesman.

"And the colour, Sir? Only a choice of black or white, I'm afraid."

"Oh, black please then," says Ivan.

"Certainly Sir, your car will be ready on the 1st March 2020," the salesman tells Ivan.

"1st March 2020?" Ivan says in astonishment. "Morning or afternoon?"

"I beg your pardon?" the salesman enquires.

"Oh," Ivan says, "it's just that the plumber's coming round in the morning."

Well done Frank, you got through the whole joke without laughing once. So did we. ♣

FINAL SCORE

Want to say "fuck" but you're much too polite? Club's foul-mouthed philanderer, ***Vinny Sprockett****, takes us through 20 alternatives for the four letter F word...*

1. SHAFT!
As in: "Shaft her fore and aft."
Very 1970s, very profound.

2. SHAG!
As in: "Gagging for a shagging."
There ain't nothing like it.

3 STUFF!
As in: "Stuff her sausage holster."
Pretty self explanatory.

4. CHIPOLATA!
As in: "Chipolata her chuff."
Continuing the sausage theme instigated above.

5. HUMP!
As in: "Hump her with your lump."
Also pretty self-explanatory.

6. STOKE!
As in: "Stoke City"
A fucked football team if there ever was one. Used when doing the business with old boilers.

7. DUFF!
As in: "Duff her muff."
And not with Paxo!

8. MAKING THE BEAST WITH TWO BACKS!
As in: "Fwoooooar."
Shakespearean term for having it off. A bit of a mouthful, but pretty descriptive.

9. SORT OUT!
(Pronounced "Sor' Art")
As in: "Sort out her clout."
An Essex term often done in the comfort of an Escort XR3i.

10. SYRINGE!
As in: "Syringe her minge."
A favourite with medical students.

11. SCREW!
As in: "Screw the arse off..."
American term coined in some misguided belief that rather than shoving it in and out, you have to rotate it in a clockwise direction.

12. DRILL!
As in: "Fill her with your drill."
Similar technical misconception to the above.

13. GHO!
Acronym for: "Give Her One."
And I don't mean a sticky bun, if you get my drift.

14. POKE!
As in: "Pig in a poke."
Used when doing it with a bit of an oink.

15. BONK!
As in: "Laughing all the way to the bonk."
An easy lay.

16. PLANT!
As in: "Plant your plonker."
Useful term for fucking in a gardening centre or window box.

17. BAYONET!
As in: "Bayonet her with your beef baseball bat."
Strike one!

18. JUMP!
As in: "To jump her bones."
A favourite with necrophiliacs.

19. HANDJOB!
As in: "Give us a..."
Like Paul Walsh of Tottenham Hotspur F.C., a useful substitute.

20. MAKE LOVE!
Woman's Own: Term for the sex act.
Could get you into even more trouble, if not actually on the football pitch, then most certainly in the showers afterwards.♣
